Sen. Ron Johnson blasts 'coordinated effort' between Democrats, FBI amid Twitter Files

Sen. Ron Johnson, R-Wis., predicts Democrats will 'shrug' when trying to answer alleged attempts to influence Big Tech.

Sen. Ron Johnson, R-Wis., said Monday that the Biden administration is "delusional" and in a "state of denial" for rejecting the notion that migrants are flooding the U.S. border.

"Secretary Mayorkas refuses to acknowledge it's even a problem. He calls it a challenge. A number of months ago just did a calculation. We don't get real good numbers in DHS, at least 3 million people," Johnson told ["America Reports."](#)

"This is months ago – 3 million visa come across, processed and dispersed or come across as a known or unknown gotaway. 17 states have populations, less than 3 million people," he said.

Fox News has obtained footage showing the moment a migrant caravan with more than 1,000 people crossed over the U.S.-Mexico border into [El Paso, Texas](#).

The video, taken Sunday night, comes as [U.S. Customs and Border Protection](#) sources said Monday that its El Paso sector has seen 2,397 migrant encounters in the last 24 hours alone.

The city of El Paso has a dashboard that reports Border Patrol in that sector currently has around 5,100 migrants in custody.

Video recorded by a passenger inside one of the migrant buses shows their Mexican police escort.

TEXAS SEES THOUSANDS OF MIGRANTS CROSS BORDER IN 24-HOUR SPAN

These latest developments come a week after DHS Secretary Alejandro Mayorkas responded to questions regarding the agency's handling of the migration crisis at the southern border when speaking at the Center for Strategic and International Studies.

Mayorkas said their work on the border crisis goes beyond immigration.

"The breadth of these agencies is far greater than the immigration portfolio," he said.

"The immigration system, our laws, have not been reformed for more than 40 years. The problem from administration to administration, regardless of party, is the fact that we are fundamentally

working within a broken immigration system, and that is the foundational challenge, with respect to the border."

Johnson said the GOP lawmakers have called on the chairman of Homeland Security and [Secretary of Health and Human Services Xavier Becerra] to provide answers at a [hearing on the migrant crisis](#).

"It's been averaging over 7,000 a day. But you heard Bill Melugin say it's 8000. We now have a whistleblower from HHS saying that the government, these agencies know that they're basically turning these migrants over to sex traffickers," Johnson said.

Why does this administration believe that defending Ukraine's borders is more important then defending our southern border? We CANNOT afford to continue doing this. STOP IT NOW!!!!

What don't you guys understand? This is being done to plan and on purpose to change the electorate. If the GOP ever retakes the WH and both houses they need to pass a bill that states no one who entered the country illegally will EVER have the right to vote. The corrupt dems would close the border tomorrow if that law was passed today.

The administration is NOT in denial. This IS what they want. It's all about votes and power and not what's best for America. This is the America last policy which they advocate.

That is exactly correct. This is exactly what they want.

Its all in the plan to turn America into a permanently Left-controlled state. When the Left feels securely in total power it will do away with oppositional parties and elections. Until then, because the far Left now owns the Democrat Party, every vote for Democrats brings this an inch closer.

I believe it's time for Americans to start defending our Border, since the government refuses to....

Isn't it funny that Biden and the Democrats are targeting Texas for shipping migrants out of their State, all while Biden does Nothing to stop the flow..... We Americans will ultimately pay the price in higher taxes, over-run hospitals and schools and increased crime/drugs....This has to stop

They're not delusional or in denial. However, they are knowingly and willfully breaking the law without any consequences. Yet.

Biden administration isn't 'delusional' what's going on at the Border, they know very well what's going and they choose to do nothing about it. This was Biden's plans from the first day he took office to put Americans last. I say impeach Biden and Harries in what they have done to this country.

Wrong.. Dear Leader and his cabal know exactly what they are doing and are very proud of their work. America Last is their motto.

This report is completely incorrect, delusion and denial would imply that they don't know what is going on. This is 100% deliberate. They know exactly what is going on, they've done everything in their power to bring this about. Everything is going exactly according to the Democrats plan. They want this.

The world Leftist movement now owns the Democrat Party.
