

# One World Religion Headquarters Set to Open Next Year

By Eugene / September 24, 2021 / 391 Comments

[A One World Religion Headquarters](#) is set to open in 2022. The headquarters will be called The Abrahamic Family House and is being built on an island in the middle eastern city of Abu Dhabi.

The headquarters is being done in collaboration with Pope Francis and Sunni Muslim leader, Sheikh Ahmen al-Tayeb, after they both signed a global peace covenant called the *Document of Human Fraternity for World Peace*.

The stated purpose of the Abrahamic Family House is to bring understanding and tolerance among the faiths, but there are a couple of notable challenges. First, Abu Dhabi is a part of the UAE where it is illegal for Christians to proselytize and conversion from Islam is prohibited. The Pope represents Roman Catholicism where Christians are free to convert to Islam, but citizens of Abu Dhabi are not free to choose Christ.

Perhaps, like the Abrahamic Family House that promises tolerance and understanding, the UAE constitution also guarantees freedom of religion “in accordance with established customs,” but the devil is in the details. Though certain practices (like conversion from Islam) are directly prohibited, penal code for the UAE defers to Sharia Law, which strictly prohibits apostasy.

The One World Religion Headquarters will have three buildings; one building each representing the mosque, church, and synagogue. However, the church is not permitted to have a cross on the building as a method of identifying it, as it is illegal to display a Christian cross on a building in the UAE.

### Abrahamic Family House Animation Adjaye Associates

Though usually not enforced, teaching that Jesus is the only God is considered to be an act of insulting Allah or the Prophet Muhammad and offenders can be subject to imprisonment for five or more years, fined from 250,000 dirhams (\$68,100) to two million dirhams (\$545,000), and Christians may be deported.

To add to the confusion of bringing understanding and tolerance, Sunni Muslim leader, Sheikh Ahmen al-Tayeb, who is widely touted as a ‘moderate’ Muslim, strongly believes

that Muslims who convert from Islam to any other religion (including Christianity) should be killed.

So, if the idea of the One World Religion Headquarters is to bring tolerance and understanding, then why build it in a Muslim country where conversion is illegal and why do it together with a Muslim cleric who teaches that Muslim apostates should be killed? Isn't that the opposite of tolerance and understanding?

Connected to this construction project will be an interfaith council to oversee projects which aim to advance tolerance, but perhaps the tolerance will be only one directional.

In December 2020, the United Nations passed an anti-blasphemy law that most Christians are not aware of. The loosely translated law, as embraced by the UAE, prohibits any teachings against Islam, including Biblical teachings which could be considered offensive.

Most Christians understand the term “One world religion” to refer to the merging of all religions, including Christianity, into a single global religion. Many Christians believe that a “One world religion” is directly linked to the last days when the Antichrist will establish a one world religion which will be associated with a one world government and lead to the mark of the beast.

What role will China play in the establishment of a one world religion, one world government, and mark of the beast? In our new book, CHINA AND END TIME PROPHECY, we outline the role that China is playing in the end times and what to look for during the last days.

Our new book is available now by clicking below.

Say that again? Have you seen an Old or ancient Cathedral? Do you mean with Cathedral size? Cathedrals sometimes can be smaller than churches. Maybe you mean basilicas. Cathedrals are any church the metropolitan resides in. And they look like No real church!

You're right, Allah and the Christian God are not the same. But how can you worship a god who needs his son to be sacrificed to HIM in order to forgive our sins. How is that all loving? Allah is Just and Merciful and he didn't need

to have his own son killed in order to forgive all in which he created. Also how can you all believe in a book that has been edited time and time again, if the Christian god Knows everything. Then why did he have to change his book repeatedly to fit society's needs. Just 20 years ago ALL gay people were going to hell and suddenly now its different. How does that make sense? I was raised a Christian, i was forced to go to church and i saw no interest at all through most of my childhood, but when i started researching Islam, i was highly interested, went to a mosque and got myself an english transliteration of the Quran which has NOT been a single time since its creation. With all the information i have from Christianity through all of my childhood and i chose Islam. I am in full submission to Allah and Allah only and will not worship the Prophet Christ. I choose the God that truly most loving, most merciful, most just, most mighty, and the one who is truly all knowing of what you reveal and what you conceal. For he doesnt need his own son to be killed just to forgive our sins.

I do not agree to making all that christianity holds and teaches illegal in offense to Islam, for in the Quran it states that every man is free to their own religion, that i shall not force you to become Islam as you are not allowed to force me to become Christian. Basically to each their own, this one world religion does go against that but do NOT call Allah satanic when your god needed his own son's blood shed just to forgive us, Islams teachings are about Love, Peace, and being Just but merciful and humble Any extremist group that claims to be apart of Islam is really going against EVERYTHING Islam teaches

I am so sorry that you grew up going to church yet you did not experience God. It must've been a Baptist church. My husband had a very similar childhood and although he wasn't Muslim when I met him, he did consider himself agnostic. I am proud to say that he stands with me as a Spirit filled Christian today. He experienced God for himself but he had to surrender, let go of his ego, quit thinking he knew everything...you keep saying God needed his son's blood... The Scriptures say "without the shedding of blood, there is no remission of sins." We could all still be making sacrifices for our sins like they did in the old testament or we can believe that one (sinless) man gave himself as a sacrifice so that we would never have to atone with blood sacrifice again. More importantly than what you believe, now is the time that we should be praying for each other, praying for the truth to be revealed, and ultimately, praying for salvation.

It is with kin interest to me to learn that Islam actually teaches freedom of religion, and by extension freedom of conscience (at least along the lines of religion). It is either due to my ignorance or that I have always concluded from my observations that Islamic countries outlaw any other religion even to the point of arresting and killing people of other religions. I really wonder then how and where such countries get such practices if not from the Quoran itself.

Anyway, on the subject about the one world religion. If Islam will subscribe to this building and all that it stands for, then would this be also similar to violating the Quoran in the same way as imprisoning and killing people of other faiths by avid Muslims who vow to the Quoran and claim it sanctions such practices because such people are considered infidels?

Well I conclude that any and ALL religions that will subscribe to this one world religion in any form or shape are against freedom of religion and conscience. Of the Quoran preaches freedom of religion then I surely would expect it to disassociate itself from this project. If it does not, then may ALL the curses of those who violate the Quoran fall on those Muslims who will support and join themselves in such one world religion. If Christians will also support this venture, then to them too may ALL the curses pronounced by God fall upon them undiluted.

Hi Matthew and to those who are this.

I agree with you that Allah and the Christian God are not the same. In fact they are polar opposites. So, both cannot be right, at least one of them has to be a man-made creation. You ask how can you worship a God who sacrificed his son? Well, it is exactly this sacrifice that puts us right with God. This is loving because God took the penalty of our sins. He paid for it on the cross so we can go free. At the same time, this was also complete justice, because the fine was paid, not just brushed under the carpet so to speak.

This is Justice, Love and Mercy coming together on the cross.

The book that has been edited time and again is the Quran. You apparently have not kept up with the latest research which has revealed that there are atleast 27 versions of the Quran in circulation. Your investigation of the Islamic faith has been superficial – you have not delved deep into the theology, read the scriptures for yourself, to discover that there are holes in the narrative galore. You've taken the wide road and just followed what is espoused by imams who themselves are ignorant or have a vested interest to twist scriptures because of their jobs.

So, the Bible has not been changed as you claim. In fact, it is the most reliable book of antiquity. Archaeologists use the Bible as a reference guide in their work. I am sorry that you were forced to go to church, but I think your parents were doing the best for their child. It is a shame that the church failed to give you the correct message. Muslim kids are also forced to their madrassahs, and forced to recite the quran in a language that they don't even know! They are uttering words of which they don't fully understand the meaning. You are following a god who has given special privileges to his “prophet” Mohammad. Like having as many wives as he desires, including a six year old. A god who is interested in sexuality more than morality. Hope this has put a pebble in your shoe, so that you may want to investigate and see for yourself.

You do not understand the sacrifice of Christ because you become aware of the spiritual (as opposed to material) nature of God. All your questions have an answer in the ancient Christian philosophy of the primary Church after Christ or that part of theology that remains loyal to the period – after the great schism (1054) the number of writings conveying ideas and interpretations of Christ's (God's) teachings to the self-justification of man's own will or personal desires have propagated so much that you will find it very hard to discern between the two categories.

As an example for Matthew:

if God is all-just, and the first men (Adam and Eve) out of their own will, have fallen from Heaven due to their disobedience (a command, not to eat from the Tree of Good and Evil, which was, as one can clearly see, to their own benefit – so that they would not fall), and due to their choice to listen to the voice of evil; then it is only right that God would have sent “another Adam” (Jesus Christ), to repair the lost connection with Him through an equal gesture: which is voluntarily and entirely obeying the will of God. Which is what Jesus did. Since God is spirit and man's material nature is the proof of man's corruptable and decayed nature to this day, it is only logical to think God is only interested in man's will to have his spirit prevail over his body – on any price, that is. Do not forget God is a Holy Trinity (Father, Son and Holy Spirit – one nature in three eternal “hypostasis” ). You'd therefore have God's embodiment on earth through Jesus Christ. God as a Man showing people how they should be living to get back from where they fell. So if God is just, and expects

people to sacrifice everything for Him (to the price of their lives – I hope we have enough discernment not to confuse this with the fanatical suicidal acts of terrorism), would He have looked favourable at Jesus, His Son? or because He is just He would have used this chance to show the entire world the right example to follow, through His Only Son – and revive (ressurect)and give, all the power on Earth and in Heavens to Him, the First and only Man in the history of Humanity to have had the capability and will to follow God's word faultlessly?

My dear brother....Your comment is sooo carnal and my soul weeps. You have been blinded by your reasoning.. Repent ye, for the Kingdom of God is at hand. You will never understand the true perfection of the sacrifice of God, until you confess that Jesus is Lord and accept in your heart that he died, rose again after 3 days and he is coming again(Romans 10: 8-9)

...Repent ye for the Kingdom of God is at hand. Accept him as your saviour and he will reveal unto you his mysteries, through the Holy Spirit.

Right now, your reasoning is carnal because you don't have the Holy Spirit in you. Wish you would realise the true meaning and purpose of Jesus's death, you wouldn't even dare compare him to another.

He was the most perfect sacrifice and the act was the most perfect sacrifice of love. John 3.16

It is though that death that alone was won for us, Christians. He took back the power of death from Satan, that is why many souls resurrected with his death. He opened unlimited access for us to the Father. That is why the curtain of the temple of the Holy of Holies was then into 2. it symbolised open and direct access to God. As for the blood that was shed, oooh God, I can't even begin to explain it, it was sooo powerful and special..

I have had the privilege of reading testimonies of believers who were once disciples of the devil. They share what the devil narrates of the sacrifice of the cross. There was a shaking in the kingdom of darkness that they have never even recovered from it to date.

Anyway, get an opportunity to read, to read Into His Likeness by Sadgy Sundar Selvaraj. He captures a historical and scientific research study done by some experts which totally proves that Jesus lived and how supernatural, he was.

Stay blessed.

My prayers for you to accept Jesus as your personal saviour.

Anyways, as Jesus said – I'm the TRUTH, THE ROAD AND LIFE ( there is no other way to be saved after death / have eternal life with God in heaven)

( And btw, Islam, so called religion of peace but first to kill others when someone says or even draw something related with their so called prophet)

- 1) Islam preaches freedom to choose whatever religion you see fit for you, but prohibits muslims converting to christianity. Muslims who converted to christianity have been malicious attacked and killed by muslims, and you speak of islam as a religion of peace.
- 2) Re-evaluate your views, cause catholicism is not christianity, never has been; not even before the late roman emperor Constantine merged

the idol worship of the sun deity and the roman catholic religion on his sick bed. You'd know this if you've actually read the bible.

3) The sacrifice Jesus was a choice He personal made Himself. It was never forced on Him by His Father. A religious mind will never understand the spiritual significance of what He did, Only a spiritual mind can.

4) God has never ever edited the bible at any point in history. None christians (the antichrist vatican) who waged war against the children of God (the protestant churches) in the dark ages are the ones still trying to destroy christianity.

Free to choose your own religion? Try to convert from Islam.  
If you don't believe that IAM He, Jesus said you will die in your sin. ( sin of unbelief) I AM the way the truth the life NO man comes to the father except by Me. ( Jesus) You don't believe because the truth is not in you. Just like the pharisees. You should not have throw the Jesus out with the lies you were told. Come back home before it's to late. Life is in the blood.

Jesus offers everyone eternal life and you will reject it, this is what will condemns you. I challenge you to read the book of John.

Please don't follow any man who teaches that homosexual swell inner of the kingdom of God especially the pope he is not of God.

Matthew, I will remember what you're saying about Muslim teachings being about "love, peace, and being just" someday when you are holding the knife to my neck, about to remove my head.

Jesus is Lord. Although we call Him "Son of God," Jesus is One of 3 aspects of Eternal God, always co-existing from before Creation. Jesus is a Son only in the sense that Jesus was born into this world as a human baby (through a virgin), solely by the will and power of God. But Jesus did not come into existence at that human birth, He always has been a part of God.

Jesus' mission on earth was to offer Himself as a sacrifice in payment for the sins of all who would come to Him in repentance, accepting Him as Lord. This fulfilled God's requirement for a blood sacrifice for sin. None of us could be that sacrifice because we all sin, therefore deserve punishment. But Jesus lived a perfect sinless life, therefore He deserved NO punishment. Thus He qualified as a perfect unblemished sacrifice to pay the penalty for ALL sins of ALL who would accept Him.

THERE IS ONLY ONE GOD! And Christians worship the true Eternal God, who can play 3 roles simultaneously. When we say JESUS IS LORD, we mean GOD IS LORD, for there is no difference.

May God's Holy Spirit, the third aspect of God, speak to you and call you to Him.

Mathew,

In Christian there is no force to worship Jesus like you do in Islam, so you weren't Christian at all.

But I have an advise for you to follow a man who was an Imam and he

converted to Christian and he can explain everything in Islam he is name is Brother Rachid on YouTube Chanel.

your religion is easy to worship for whose are blinds and it is a religion of instincts.

and Christians are the salt and the light of the world go read the bible by yourself before you listen to lies from your imam or sheikh that everytome they say the same lies bible it has been edited without any proofs.

and see the truth may he you will see properly and become a man and one of God's children.

Read the bible sin secret without telling your muslim mates and the bible will answer all your questions brother.

Your allah is so powerful that you have to contend for it, kill for it, maim for it and terrorize for it because it has given more power to its loyalists. Your allah is merciful that anyone who questions a book called koran receives swift death.

Your allah is so given that he gives unattainable promises of 7 virgins to whoever kills the most.

Your allah is so scientific that he approves the use of explosives causing the mass massacre of the innocent.

You don't need to lie to make your god great. Koran like every other book has gone diverse translations too.

people ask why did God allow all this? only time will tell.

using religion for control is very evil. God didn't give us His Words to control us, but to choose right from wrong.

and yes, His son did die for our sins, transgressing against our creator? what belief doesn't acknowledge sin but thinks the world is fine as it is?

there's only one side that is right, and there's a kingdom waiting for us, not 72 virgins.

Matthew, all that Christianity is defined by in God's Word is offensive to the Muslim. The mission Muhammed was tasked to do was to fulfill, make better or invalidate the Bible. pure and simple. Jesus knew He would be an offense, a "stumbling block" to some. Rest assure there is a way to know God as He is, because He IS God. He would be useless as a GI Joe toy if He wasn't. Rest assure Jesus' sacrifice wasn't something He was FORCED to do. He loved you so much He volunteered Himself for YOUR place because of YOUR sin. The Bible says so. The Quran talks about Jesus but not that great love.

God did not have to sacrifice his son in order to save us he chose to. He could have done things differently but he is our Father. The Father teaches his children with instructions. How would we grow and learn if he just rewarded us without teaching. Why do we hesitate to discipline our children when we had already laid the law of our home, we hesitate in hopes our children heed instructions before we must discipline.

You forgot the part where Jesus DEFEATED death. He was a SACRIFICE for everyone. He wasn't just killed. He was SACRIFICED because there is punishment for sins, and He took our punishment so that WE WHO BELIEVE wouldn't have to be separated from Him at the end of our days.

If a judge said "you are guilty for all of these speeding tickets that you've racked up and you must pay them!" And your dad pays them off for you. He SACRIFICED HIS hardworking money so that you wouldn't have to. And the judge can legally let you go because your dad paid for your punishment. And you would be so grateful that your dad SACRIFICED HIS MONEY so you wouldn't be in trouble anymore. It's the same thing with Jesus and God. God is the judge and says "you have all of these sins that you've racked up your whole life. But because Jesus SACRIFICED HIMSELF AND PAID YOUR DEBT, You are free to enter heaven because you're grateful for His Sacrifice and believe that He paid that for you." Jesus was a sacrifice for our sins. As a completely innocent man, He took on our debts. And three days later He was alive again because HE conquered death. What an absolutely LOVING God who would send Himself in human form to pay OUR debts! The story of Jesus' sacrifice for us has not changed since it happened. 2000 years go by and the story of His sacrifice is still the same! That's incredible! I serve an amazing, loving God! God bless!!

One man said "the cross of Christ is the intersection of His holiness and His love."

Question? So how was God's holiness (out of which flows His justice) and

love demonstrated apart from any other religious system ever conceived? His holiness was demonstrated in the perfect sinless life that His Son Jesus Christ had lived while on earth.

His love was demonstrated in Jesus' self-sacrificial death on the cross. I can illustrate this most profound concept with one Bible verse and one illustration.

2nd Corinthians 5:21 "He made Him who knew no sin to be sin on our behalf, so that we might become the righteousness of God in Him."

In other words a Divine exchange takes place when a person becomes a TRUE Christian.

What exchange?

At the moment of conversion we are clothed spiritually with the perfect life of Jesus Christ; and Jesus who never sinned becomes our sin bearer, NOT A SINNER.

Therefore when we die, God the Father DOES NOT see the sins that we have committed; rather He sees the perfect life of His Son Jesus Christ imputed, accredited, ascribed, or assigned to us which grants us eternal life in heaven.

In other words, we need to be perfect in order to enter heaven (Matthew 5:48) and 2nd Corinthians 5:21 accomplishes this.

Only Christianity can make this claim.

Jesus was punished in our place, as our innocent substitute, so His Father's holiness could be exhibited, His justice served, and His love and mercy displayed to ultimately be embraced by the sinners whom He chose who then share the message.

God can be 100% just and 100% loving simultaneously through Jesus Christ. AMAZING!!!

And because Jesus historically rose from the dead (seen by over 500 witnesses (1st Corinthians 15:6), He defeated death in 3 ways for all who embrace Him.

1. Spiritual death: We all have been born spiritually separated from God because of an inherited sin nature from the first man Adam (Romans 5:12; 1st Corinthians 15:21-22). But when we are born again (John 1:12-13, 3:3; 1st Peter 1:3, 23), we can once again have spiritual union with Him.

2. Physical death: Since Jesus rose with a new body, we also will be raised with a new body. Death was rendered powerless (lost its sting) through Christ's forgiveness of sins. (1st Corinthians 15:42, 50-57).
3. Eternal death: In love He bore our eternal sentence of eternal destruction we all deserve in hell so we can experience the glories of heaven (Philippians 3:20; Revelation 21-22:5).  
Question? How many other religious leaders are still in their graves?  
Answer, all of them.

Edward, I actually took a deep sigh of relief as I was reading your blessed expose.

We who are grounded in the Inherent Word of God, knew only to well this was on the horizon.

We must continue to pray heavily and spread the true gospel of Jesus Christ.

Like to many, I have family and friends who will perish unless they are drawn into the arms of our just Redeemer and Savior!

Thank you once again,

I just not know my life experience with my Lord, Jesus Christ. I have past experiences with childhood abuse that hasn't ended in adulthood. There were times I just wanted to die. I couldn't handle the constant abuse.

Every single time, I simply gave it to Jesus. Change happened, on a level of what a miracle is. This belief that Jesus is my only salvation is very personal. Embedded in my heart and soul. When my own mother turns her back, it is the Holy Spirit that rises to protect me. To guide me, to make me whole again.

I can't judge others as, that is not love, so, I won't. There is something to be said about faith, it literally moves mountains. I am living proof. Let's not get caught up on who is better. Let's have faith and learn to love each other. That's the real message. May the bless you and keep you, all of your days! ❤

You have to understand salvation. This is the reason why God the Father sent His only begotten Son that those who believe in Jesus will not perish but have an everlasting life. Jesus was sent to release us from sinning and without sacrifice, there is no redemption. I pray that you will ask the Holy Spirit to give you wisdom and to know the whole truth that will set you free,

Where is scripture to provide your statement that Jesus is God, and God is Jesus? If Jesus Is God and God is Jesus, Who was sitting on the throne in Heaven while Jesus was crucified? Who was Jesus talking to when He said “Father, Father why has thou forsaken me”? When Jesus got baptized by John the Baptist and the heavens opened up who said “This is my beloved Son in whom I am well pleased”? Jesus said ” ask the Father in My name and He will give it to you “ Jesus Is not God. Jesus Is the Begotten Son of God! God is the Father, Jesus Is the Son. Jesus Is sitting on the right hand of the Father.

God most living unless you are the sacred gender that brings children into the world.

God most loving unless you belong to any other faith.  
God most loving except when followers are rewarded to commit atrocities toward fellow man.  
God most loving except to any weaker human or species, who should be revered and protected as all are created by God.

Peace be unto you,

“God is Spirit, and those who worship Him must worship in spirit and truth.”(Jhn. 4:24)

If you don't worship God in spirit and truth, Christianity would be just a formula,  
culture, with no life.

God has His own way of doing things. The bible says, “Indeed, under the law almost  
everything is purified with blood, and without the shedding of blood there

is no  
forgiveness of sins." (Heb. 9:22)

In the old testament(before Christ) people used to bring lambs to the house of God to be slain in there behalf for the forgiveness of there sins.

In the new testament, God gave one Lamb to die for the whole world. Why? Because, It is God's law. Blood must be shaded for the forgiveness of our sins. Someone must die to wash away the sin of the world. God is Spirit He cannot die. Angels are spirit binges they cannot die; and also no qualified human was found on earth. All human race are sinners because of the first man, Adam. In this case, God had to prepare a sinless pure flesh. The bible says, "And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth." (Jhn.1:14)

Jesus Christ is the Word of God in whom God created everything. He is the Lamb of God who washes away the sin of the world.

"Behold, the Lamb of God, who takes away the sin of the world!" (Jhn. 1:29)

"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.

For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him. Whoever believes in him is not condemned, but whoever does not believe is condemned already, because he has not believed in the name of the only Son of God.

And this is the judgment: the light has come into the world, and people loved the darkness rather than the light because their works were evil. For everyone who does wicked things hates the light and does not come to the light, lest his works should be exposed. But whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God." (Jhn. 3:16-21)

Now, let us see....

God is Spirit. He prepared a body to die for our sin. Since the Word of God became flesh, Jesus Christ is called the son of God.

Since He came in human form and born in human way, He is called the son of man. Since He is the Word Of God and belongs only to God, He is the temple of the one true God.

God who is Spirit prepared Himself a body to dwell among His people.

Christ is the body (temple) of God. God is Spirit, He is everywhere. No one has ever seen Him. He's only seen and touched through Christ.

God is always one, never multiplies. He is Spirit. He prepared a body and dwell among us to save us. This is why Jesus is Emmanuel (God with us).

The bible says,...

“For it pleased the Father God that in Him (Christ) all the fullness should dwell, and by Him to reconcile all things to Himself,

by Him, whether things on earth or things in heaven, having made peace through the blood of His cross.” (Col. 1:19-20)

“For in Him (Christ) dwells all the fullness of the Godhead bodily;” (Col.2:9)

“Do you not believe that I am in the Father, and the Father in Me? The words that I speak to you I do not speak on My own authority; but the Father who dwells in Me does the works. Believe Me that I am in the Father and the Father in Me, or else believe Me for the sake of the works themselves.” (Jhn.14:10-11)

“And being found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross.

Therefore God has highly exalted him and bestowed on him the name that is above every name, so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father.” (Phi. 2:8-11)

“He who sins is of the devil, for the devil has sinned from the beginning.

For this purpose the Son of God was manifested,

that He might destroy the works of the devil.” (1Jo. 3:8)

“And John, calling two of his disciples to him, sent them to Jesus, saying, “Are You the Coming One, or do we look for another?”

When the men had come to Him, they said, “John the Baptist has sent us to You, saying, ‘Are You the Coming One, or do we look for another?’” And that very hour He cured many of infirmities, afflictions, and evil spirits; and

to many blind He gave sight.

Jesus answered and said to them, “Go and tell John the things you have seen and heard: that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, the poor have the gospel preached to them.

“And blessed is he who is not offended because of Me.”” (Luk. 7:20-23)

All knees shall bow down for the name of Jesus Christ. The only name that our enemy Satan trembles is the name of Jesus Christ; he cannot resist this name. Jesus Christ is the resurrected King who defeated death. He is the same yesterday, today, and forever. He never change. His name is still mightily working in this world, and He is coming soon!

“Jesus said..., “I am the way, the truth, and the life. No one comes to the Father except through Me.” (Jhn. 14:6)

God bless you!

But he did have a 6yr old wife, so he's definitely a child molester, but the thing is EVEN child molesters and murders can be forgiven and enter the Kingdom of Heaven. Look at GOD! GOD is good, ALL THE TIME! Think about it like this, say you have two children of your own and they've all sinned, but at the end of their life you have to choose which one goes to heaven and which one goes to hell. And you absolutely HAVE to choose, how would you be able to do that? I know I couldn't I would rather give myself over to hell than one of my children, and that is exactly what GOD did. Even the worst of sinners usually were that way because of what's been done to them before. It's an ongoing cycle so if u think you can judge someone for what they've done then why stop there? You have to then judge everyone who is responsible for what caused each person to do what they've done. And who are you to judge. We are all created equal. That is why GOD is so good. No matter what you've done he will always accept you as long as you accept him as well and repent for your sins. Ask for forgiveness and believe in HIM. GOD bless all of you. I love all of you, even the Muslims reading the comments. I love you and GOD loves you. Even knowing you are following Allah, GOD still loves you and forgive you. You WILL see the Kingdom of Heaven if you believe in him and turn from sin.

True that our Creator God is so righteous and Holy that we cannot understand His requirement for blood sacrifice for sin (abortion is child sacrifice in most instances but I won't go there). Mankind has been no better than this unfathomable Holy God who is also vengeful against His creation sins and rebellion. There are countless and thousands of years of accounts of the horribly cruel and murderous things mankind has done to one another of ALL RELIGIONS. I present to you that the biblical plan of salvation through Christ Jesus AND subsequent living your life obedient to the Word, as Jesus preached and taught His disciples to spread, results in a change and softening of the hearts of man. Now mind you I'm talking about TRUE conversion. Allah's disciples who practice FUNDAMENTAL Islam are driven to kill infidels and live a life that abuses women and children (although they see it as superiority not abuse), and apostates. On the other hand FUNDAMENTAL Jesus followers and converts to true biblical salvation since Jesus rose from the dead, (BTW, you forgot to mention that part, that Son is greatly alive and will be rewarded beyond imagination eternally), live a life where they are taught to be loving forgiving humble etc., but at the same time, metaphorically, die daily to sin. Sins of the heart and sins of the body. This is the hard part. So overall the disciples of one in today's society kills, slaughters, abuses, etc. as a fundamental part of their "bible, so to speak, while the disciples of the other you speak of, give, pray for, warns, tries to convince verbally, tries to live a life of service to the spreading of that word while at the same time many do fail giving in to the sins of the flesh and heart and inadvertently give God and Jesus a bad name unfortunately. But they are not the ones slaughtering people in the name of their God

No Allahs only begotten son wasn't tortured and crucified as the final sacrifice to be made in Yahweh's name.

Instead Allah has required Muslims to mass-sacrifice each other to him for thousands of years and why it appears there won't be any stop to the human sacrifice in the next several thousand years... because Allah loves you all so much right?

If you objectively and honestly examine the Islamic religion and still don't see the Idol worship, physical abuse, pedophilia, homosexuality, child rape, torture, mass-murder and human sacrifice which is embraced and condoned in the Quran, then you are deceived by Satan's false faith. All that murder, immorality and Djinn worship and yet it's called "A religion of peace" that's just the kind of deception one should expect from the father of lies.

If you can't see the evil in the Islamic faith, then you are unable to see objective reality. Perhaps then You are already be damned.

Regardless of this, we are mere mortal humans with very limited understanding.

Surely it is not for us to judge the motivations of Almighty God since we are not capable of understanding Gods grand design.

Perhaps it is enough that we simply have faith in our Divine Creator and

strive to follow the laws of morality rather than the flawed religious rantings of mortal men.

Peace be with you.

Hello Matthew, I hope you receive this message well. I to didn't understand my Christian faith growing up. I believe the church as a whole has failed their youth in teaching them the true word of God and not all these variations that man has continue to change over the years. Original document should only be translated NOT rewritten. With that said, As I read the NIV version of the Bible (modern English like any new publish book today) and reference with the KJV version of the Bible (the one all man should use to understand from translation to English) You will understand clearly why Jesus (son of God) came and die for us. Many people don't understand this. Adam failed God. Not just Eve. Man fell due to Adam disobeying God. If Jesus NEVER came, we would die and never be resurrected. SO in order to break Gods Law, he sacrifice his son to us sinful humans and when he died (because all man has to die right that's Gods punishment for disobeying him) When Jesus blood was shed, it was in a sinless body. Sinless death. Meaning IF YOU BELIEVE IN HIM, YOU WILL HAVE EVER LASTING LIFE. Life after death (for we must still grow old and weary and die then judgement comes and live forever after with him) That's it. So whether you want to understand now or later, Jesus is King and he will return for his people that believe in him AND HIS FATHER JEHOVAH ONLY (no other false gods or prophets) Thank you for reading.

Yes God the Father allowed Jesus His son to suffer as a ransom for the sin committed by Adam and Eve. But Our Lord Jesus was victorious as He was raised from the dead and seated at the right hand of God the Father. I hope you will return to your senses and convert back to Catholic Faith. Yes even

though the Catholic Church is infiltrated by the antichrist (the freemason and the elites) this doesn't mean that God abandoned His church. As Jesus promised before He arose into heaven that He will be with us till the end of time.

I may be misunderstanding this post, but a gay person (or any sinner) is NOT forgiven for their sins by simply accepting Christ. The Bible clearly teaches that repentance is a MUST. Repentance includes no longer living a gay lifestyle (or any other sinful life choices). Otherwise, it's not repentance. God's word is clear in many places that anyone who practices sin will NOT see the Kingdom – period. No exceptions to this rule, which should be obvious to anyone who understands what the Bible teaches. There's a lot of very dangerous false teachings in Christianity now – teachings that will cause people to lose their salvation. Make no mistake, we will ALL be judged and will answer to God for every word and deed that we committed. The very false teaching that Christians won't face judgment, or that when God judges

Christians, He will only see the perfection of Christ, is dangerously incorrect. I strongly advise all Christians to read your Bibles diligently, and put very little weight in anything your pastor may teach. The vast majority of Christian teachers are grossly wrong about almost everything. Reading and learning on your own is the safest way to avoid false doctrine, which “Christianity” is loaded with. The Bible is easy to understand. Ignorant humans have ruined the simplicity of the TRUE faith.

One last thing that can't go unsaid – Jesus is NOT God. The trinity is Satan's crown-jewel! By far, the biggest deception and corruption of the true faith that was handed down to us from Christ's apostles – not the pagan philosophers of the church councils centuries later. The trinity is the height of blasphemy. I'd be happy to assist anyone in learning this clear truth.

If Jesus is not God then what then do we do with

Romans 9:5 To them belong the patriarchs, and from their race, according to the flesh, is **the Christ, who is God over all**, blessed forever. Amen.

John 1:1 In the beginning was the Word, and the Word was with God, and **the Word was God**.

Colossians 2:8-10 See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, and not according to Christ. 9 For in him the whole fullness of deity dwells bodily, 10 and you have been filled in him, who is the head of all rule and authority.

I John 5:20 And we know that the Son of God has come and has given us understanding, so that we may know him who is true; and we are in him who is true, in his Son Jesus Christ. **He is the true God and eternal life.**

Hi Will, there are many verses that people use to support each side of this topic. And, obviously some are more valid than others. I've done a lot of tossing scriptures back & forth with trinitarians in the past. It's rarely (if ever) productive because most people are not willing to seriously consider anything different from what they already believe. Unfortunately, it doesn't end up being a thought-provoking discussion. It's more like people digging in their heels to fight for "their" truth. The main thing I try to get people to do now is to carefully read the NT (better yet, the whole Bible) without trying to read anything into it – and without getting input from anyone, especially a pastor/church leader. I was very fortunate to have not been brought up with a belief system, so I didn't have to unlearn things or reject previous beliefs. When I started reading the Bible ~ 18 years ago, I had no agenda. I didn't care one way or the other if God was a trinity or not. If I found that the Bible taught the trinity, I would gladly accept it and preach it to others. But, what I found is SO far from the trinity that it's scary. Satan certainly is deceiving the entire inhabited earth as the Bible says – and more than most Christians would ever believe.

The fact that Jesus has a God, is subordinate to Him, serves and worships His God, etc, is blatantly clear on every single page in the NT. Trinitarians pluck out a verse here and a sentence there to form their doctrine, but it's not the story that the Bible is telling. Every false doctrine in Christianity that I've come across was assembled the same way, which again is why I say to just read your Bible with fresh eyes, as if you were never taught anything about it. What if what you were taught

is wrong? The apostle Paul devoted much of his time and writings to confronting false doctrine, so it seems important to not accept false doctrine if you can help it. Unfortunately, he never confronted the trinity doctrine because it wasn't conjured up until about 300 years later.

Ok, to touch on the verses you mentioned, Romans 9:5 in my Bible (NRSV) says: "... and from them, according to the flesh, comes the Messiah, who is over all, God blessed forever. Amen." This translation is saying that Messiah is "God blessed", which I couldn't agree with more. Much different than the translation you posted. One tricky and unfortunate aspect about translating is that the translators have to decide where to put the punctuation, and sometimes the punctuation changes the meaning of the verse. This is troubling, but unavoidable. I should add that the translators of the NRSV and every other translation that I'm aware of are trinitarian, so the rendering is not biased. Again I'll say, that the overall theme of what is written should have MUCH more weight than a random verse here or there that seems to call Jesus "God". This always puzzles me about the trinitarian argument because they'll point out an ambiguous verse where the wording of everything else around that verse indicates that it obviously means something other than what they demand that it must mean to fit their beloved doctrine. And this is true of every single scripture that trinitarians use to support their position. I am hoping to do an experiment some day where I already know the result, but it should prove something to someone:) I'd like to get 100 people of at least average intelligence, who know nothing about the Bible, to read it and then ask them a series of questions about it, what God is all about, etc. Think about this for a minute. Do you honestly think that any of them will come up with God being a trinity? Keep in mind, that before the trinity was invented in the 4th century, no such concept existed. And if you asked 10 various trinitarians today to explain there beliefs about who God is, they would differ greatly.

This post is getting way longer than I intended, so I'll try to touch on the other verses as briefly as I can. In reading John 1:1, I suggest that you

read Proverbs chapter 8 for a similar example of the Bible personifying an attribute of God. There are Christians who believe that Proverbs 8 is referring to the pre-human Jesus, especially based on verse 30.

Proverbs 8 sounds even more like an actual person than John 1:1, but it obviously is not. If the trinity were actually a Quadrinity and Christians were taught that Wisdom was the 4th member for the last 1700 years, that's what Christendom would be believing today. Therein lies the trouble with cherry-picking verses and forcing them to mean something. For the sake of argument, let's say that John 1:1 should be understood in the literal sense, or the trinitarian way. How do you picture this? Do you believe that before being born, Jesus was going by the name "Word" up in heaven for billions of years? In eternity past, when God or one of His angels addressed Jesus, do you think they'd say "Hey Word...". It's certainly possible I guess. But I wonder why Mr. Word never spoke, or was spoken to, or mentioned in the OT? It does seem odd. We heard from the angels Gabriel and Michael in the book of Daniel, and of course God throughout, but no mention of Word. Moses knew nothing of him, nor Abraham, Isaac, Jacob, or the prophets.

Col 2:8-10 – I use this passage a lot, especially verse 8, which should have every trinitarian searching for a better understanding than the man-made trinity doctrine that no Bible writer taught. The common trinitarian answer is that "the Bible may not teach the trinity, but it implies it". In all truth, any number of false doctrines can be "implied" by plucking verses. That's exactly how every false doctrine is established. I know your focus is the latter part of this passage, where it says "the whole fullness of deity dwells bodily". Yes, the Father God was in Him, worked through Him and performed every one of His miracles – as Jesus clearly stated. He even told Jesus what to say according to Jesus. If this verse was trying to say what trinitarians wish it said, why doesn't it just say that Jesus is God Almighty? It would've saved a lot of Christian-on-Christian murder over the centuries! Shouldn't at least one verse in the Bible make that simple statement if it's true? Have you ever given any thought to hard it would've been to convince Jews (which all of His initial followers were) that the One God of Israel, who they and

their forefathers worshiped since the days of Abraham, was actually a triune God? Moses and all the prophets also had it wrong, yet they went uncorrected. Very strange if true.

1John 5:20 – This verse may well be calling Jesus “God”, (note: NOT Almighty God) and there are a couple other verses in the NT that seem to as well. I might add that Isaiah 9:6 refers to the future Messiah as “Mighty” God, but never, not once, is He called “Almighty” God anywhere in scripture. That title is reserved exclusively for the Almighty Father. Question: Is anyone besides God the Father ever referred to as “God” or “god” in scripture? We have Exodus 7:1 where Moses is made as “God” to Pharaoh. Then there’s Psalms 82:1-6, which Jesus also quotes in John 10:35-36 where Almighty God Himself referred to humans as “gods” according to Jesus’ own description of it. And we have 2 Corinthians 4:4 saying how Satan is the “god” of this world. FYI: Whether or not the word “god” gets a capital “G” is totally up to the translator and not based on anything other than how they “feel” it should be rendered. Same with “word” in John 1:1. The capitalization helps in establishing the misreading of it. A lot of people get hung up on the fact that there’s only one God, and Jesus seems to be called God a couple times, therefore He must be God as well. I hope you can see how poorly thought out this line of thinking is because others besides Jesus were also called “god”, which makes the argument of Jesus-being-called-God-so-he-must-be-God fall apart.

There are many more contestable verses that we could go back and forth on for days or weeks. I don’t expect to change anyone’s mind, that’s why I urge people to just read their Bibles without outside influence or considering man-made doctrine, and receive God’s Word just the way it is – perfect! One last verse to prove that even the exalted Christ in heaven still has and worships His God is Rev. 3:12. I don’t think it could be any clearer than that! God Bless.

Matthew, Jesus isn't merely God's son, He IS God in the flesh. The son is just a manifestation of the father. Just like the spirit.

God could have done it any other way, but he opted for this way. To show his unfailing love for us.

Greater love has no one than this: to lay down one's life for one's friends.

If a child plays baseball in the house, even after being told not to, and breaks a lamp...can his father 'forgive' him? Yes, but you are forgetting one important thing. The father still has to go buy a new lamp. 'Somebody' has to pay for it! That's what Jesus did on the cross. Hopefully that makes sense. Regarding your comment that the bible has changed...no it has not! The recent Discovery of the Dead Sea Scrolls proves the verse that, "not a jot or tittle" (think apostrophe or comma) will be changed. Now christian 'religion' has changed... especially giant organized groups like the Catholic church...but that is not Christianity. It's just religion. Religioun is a bunch of more rules meant to control people and profit off them. Jesus, the true risen savior, is the 'only: way to God. Buddha, Mohammed, Confusion etc, were all good people desperately trying to make this world a better place...but they died, are still dead, and you can even visit their graves! But the tomb in Jerusalem is empty. The public execution...and the resurrection, was witnessed by several hundred people! He's the only way. He wants you, he died for you, and his free undeserved Grace is available to anyone who accept his free gift.

Hello Matthew I would like to inform you that the term allah stands for god of islam, But if you search, is jesus allah?, you will get this 'Jesus, son of Mary'), also referred as Isa Masih, is the penultimate prophet and messenger of God (Allah) and the Messiah, who was sent to guide the Children of Israel with a revelation: Injīl (Arabic for "gospel").

Allah persecuted and killed people purely based on their belief of another God. His prophet had child wives one being 6 years old. To explain Jesus, the punishment for sin is eternal death, but Jesus conquered that eternal death for all that believe in him. He died and rose from the grave so that we would not pay punishment for our sins as believers. Purely your belief in Jesus as the messiah and your faith in God are what save you from the grave. That's merciful and loving. Jesus stood up for people and never preached violence and lying unlike Mohammed. Your Quran and also says that Christians and Jews have nothing without their faith. Your Quran tells us to have faith! Mohammed also turned in his journals so that they could be added to the CHRISTIAN BIBLE but they were turned down by Christians because nothing shall be added or subtracted from the gospels. Mohammed and Allah are inherently evil. You don't know what you're speaking about.

Jesus Christ is God himself in the flesh. Since God himself created the Law, he needed to submit himself to that Law by coming to earth as a man, born of a virgin but born in flesh (blood) so as to enter the world under the Law. You may ask why didn't God just speak a word to forgive all human sins instead of coming to earth in the flesh and dying on the cross to forgive mankind? Well God is Just! And he will not break his own word. In the Old testament, sins were forgiven by the shedding of blood – usually by sacrificing a pure animal. The shortfall with this is, it is a continuous cycle of sin and sacrifices (shedding of blood), for the atonement of sins. This is tiresome and tedious. As well as the fact that the priests were a

mediator between the common man and God. So in the Old way of cleansing sin – the common man had a responsibility to keep all the Law and was still separated from God.

To bring man closer to Himself. God came to earth in the flesh – His name is Jesus Christ. He is 100% man and 100% God. He became the sacrificial lamb for the sins of the world – past, present and future. By his blood we are cleansed from all sins and we are saved by His Grace when we believe that he shed his precious blood on the cross for you and me. And this sacrifice was a once for all time!! When Christ died on that cross, the veil that separated the holiest place from the people was torn in half from top to bottom! Therefore the common man can humbly and courageously approach the throne of God and ask for forgiveness of sins unto eternal life. God himself wants a personal relationship with every individual being. He desires that no one perish, but that all may have eternal life through Jesus Christ our Lord. We have a choice to make, we decide where we end up after this flesh returns to the ground. Read the book of Hebrews KJV, it focuses on the sacrificial aspect of Christ.

About the Bible having different versions....Well...isn't it fair to say that the devil wants to corrupt the truth, so he works to change it and make sure there will be confusion!!! There are many different English versions of the Holy Bible, of which Satan has produced through men – to cause confusion and separation. But let's stick to the oldest and first English translated from the Syriac manuscripts. The KJV is the most reliable English version of The Holy Bible.

God's Word has all the answers. God's peace settles the hearts and minds of those who seek Him in spirit and in truth – not to seek him to prove a point...although he will end up proving his point to you if you are honest.

I am also sorry for your experience in a christian church. I also was disenchanted with the teachings I received but thank God I got to know the One true God. He is the Creator of all. Allah created nothing, Mohammad created nothing nor has the devil ever created anything (he can only distort what's been created). God did not have Jesus sacrificed to Him, Jesus gladly lay down His life FOR YOU. For us all. God gave dominion to mankind and through deception of satan to Adam and Eve that dominion was given to satan. The only way to get it back was by a perfect MAN. But, there was no perfect sinless man until Jesus the God-man. He bore our punishment in his man body to deliver us from eternal damnation. The punishment of sin is death and hell. Jesus chose to die for us and I am pretty sure Allah nor Mohammad died for no one.

Hi Matthew. God sacrificed His own Son for several reasons. First, The wages of sin is death & no animal sacrifice is good enough. Why? Because God is holy as is Jesus Christ. To fulfill the price for mankind's sin a holy sacrifice is necessary. No human being is holy. Why is a holy sacrifice needed? Because God's justice & everything else about Him is holy. Without meeting God's requirement of holiness NO ONE enters His kingdom. Without Christ's holiness in His person & in the blood He shed

there is no salvation from God's wrath. Why can't God just let everyone in? Because God's holiness & justice are a part of who He is that cannot be compromised. How do sinners enter God's kingdom then? Jesus blood which was shed on our behalf is holy & satisfies God's holy justice. Also, God has never, ever changed the Bible to make certain sins acceptable. Unholy churches are trying to do this without God's approval & will not succeed in making sin acceptable. Why? God is immutable (unchanging) & while He will forgive sin through the sacrifice of His Son, He will not budge on making certain sins acceptable. Anyone who believes He will without consequences is deceived. God is not mocked & the churches mocking Him will face consequences unless they change. Is God mean for holding us accountable for our actions? No, we do it with our children every day.

You probably didn't much more information about Christ as you did about Islam and that's why you thought that way. And no God didn't sacrifice his son. He died for us on his own accord. The death was to bridge every gap between God and man. Islam simply started from ishmwl Abraham's son from his wife's maid. So please don't be misguided. I get that your childhood with Christ wasn't interesting per say but if you figure deep into the word of God you will find the answer you're looking for

You know nothing about Islam or true Christianity only the 'nice packaging' we've all been conned into believing.

I suggest you Google David Wood & The Apostate Prophet (ex Muslim) & THEN tell me Islam is a 'peaceful' religion. They have challenged even the top level leaders to prove them wrong & no one has done it. In fact, your leaders have said they know more about it than most of them!!

The Quran is not even fully accurate, so you're wrong there. The original text that was written down by Mohammed was given to his wife for safe keeping as he went away, but it was eaten by a sheep or Goat (?) as she slept. It's even mentioned in the book itself that she told him what happened. Then it was rewritten by memory, & let's not get started on humans & accurate memory!

A 'god' that demands you murder people if they say anything against him or oppose him or choose to leave it,, murder women if they go against or question that book or their superiors, women treated like slaves who can do nothing without a man, death to anyone who will not turn to Islam?... need I go on?

Allah was a Moon god. They worshipped many gods who, like Roman Catholicism, were mainly planets & celestial things until the prophet (sic) told them to get rid of them all as there is only one as he had a dream & was told that Allah the moon god was the only true god. Why do you think the moon is so important to you guys? Don't believe me? Then look deeper into it.

Just like how the old testament also adhered to the same principles as Islam, both were (& Islam still is) a vicious, cruel & harmful religion.

But that's not down to Mohammed or the Christian God, no, it's down to us humans who bastardised both teachings for our own nefarious, cruel & greedy means, until the exception of Jesus who came & said all that went before is dead. He made a new covenant for us to follow & said to only to keep the 10 commandments from the OT.

Whereas Islam has done no such thing. It's still as vicious as it ever was.

Liked I said, YouTube those guys I mentioned above & I bet you'll change your mind.

we Christians have privilege to show The way to those who are blind, Christianity is not a religion it's a fellowship with God through Christ, but religions are seekers, they are seeking some thing to believe on, but they are still hanging on air, they still not get the real foundation to put their trust on, before Buddha died he said he wasn't the way, when Muhammad died he said to his followers to seek for the truth, when Jesus come he said he was way, Truth and the life, but unfortunately most of these religions they don't know what they and so called their prophets were looking for, that's why even the one who was waiting for his salvation himself when Christ appeared to save him he crucified him because he was too carnal and things of God is mostly understood through his spirit, how then these outsider will not kill, murder and do all those kinds of evils?, for that's their original work, but the time is now that we must tell them about the love that God offered to them through Christ, so that me may save some.

One must not forget that Jesus is God, God in human flesh who loved us enough to come down from heaven and be one of us, except that He, Jesus, was without sin.

Because Jesus is God, God Himself took the punishment that we deserved upon Himself.

It sounds to me like you reject anything that you cannot “wrap your brain around” such as the Trinity, and God’s way of offering us forgiveness of our sins. But because you are the created and not the Creator, there are many things you will not be able to understand. Just because you cannot understand them or because you don’t agree with what God may do or how He does things, doesn’t make God wrong, only you.

Also, the Bible has not changed. Yes, there are people who attempt to twist

and pervert the scriptures to try and justify things like homosexuality. Some have gone so far as to write their own versions, such as the Gay Bible. But the true Christian knows that God has not changed nor has His infallible Word when it comes to His truths, His moral laws.

Matthew,

I am so sorry you learned incorrectly about Christianity. Unfortunately, that happens a lot as the devil is sly and sneaks in false teachers wherever he pleases. You are incorrect in what you have stated about the Christian faith in many areas. The Bible states that God sent his son to die for all of our sins, yes, but did you know that it isn't a son in the literal sense, as humans have sons. Jesus IS God in human form (the Bible says his name means "God with us"). They are one and the same. So it was really God dying for your sins. He had to come to us in human form as Jesus in order to show his love for us. Any true Christian church teaches that. Will Allah die for your sins? No.

Also, homosexuality is still a sin. The Bible never changed on that at all. But false teachers at the wrong kind of churches have given in to the ways of the world and accept it. The Lord does not accept that sin.

The Bible does not change in the way that you say it does – not in actual context. The only changes made are ones to help those of different languages, to understand it better. The Bible is exactly the way it always has been, and its message never changes – God loves you SO much that he came to Earth in human form to die for YOU. And if you accept his gift of salvation (accepting Jesus Christ as your savior) you will be with him for all eternity in paradise.

I know God's love very well because he's answered hundreds, if not thousands, of my prayers. I seek him for guidance, strength, comfort, peace, joy, help with financial troubles, etc., and he always gives me what

my heart needs most, when I need it most. It's always in a very obvious way too. I pray that you look into the correct gospel, and seek the one true God, as we don't have much time left. Prophecies in the Bible are coming to fruition at an alarming rate, and Christ is coming soon. If you want to know more about the correct word of God, the gospel, or Jesus Christ, I'd be happy to talk with you or point you to someone who can help you. God bless

That's the issue you get wrapped up into religious beliefs. That is on only the devil playing with your head sir. God sent His ONLY begotten son to die on the cross for OUR sins. Do t you know in the Bible people were stoned to death for committing adultery. Something we human race do everyday we would be dead before Jesus died for us. How can you not appreciate that. God knew we All were born of sun so he sent his ONLY son to die for us. So that we can repent and live a better life. And your blaming him for that? And no where in the Bible says Gay people are going to hell. What the Bible actually teaches is that all sin are equal. So a liar equals just as much as a rapist therefore no human being can judge another. Sir you are fairly confused and pray you are delivered. You simply don't know your Bible. I advise you to read it so that you are delivered. May God be with you.

Allah is peaceful? Jesus was sacrificed to show how just God really is. Jesus took on sin, who had never once committed a sin, so that we would have a way to go in front of God. He's our doorway. The Bible is a reliable collection of historical documents , written by eye witnesses by OTHER eye witnesses that report supernatural events with specific prophecies whose writings are divine rather than human in origin. Homosexuality is a sin and if you believe differently or were taught differently, than you're being deceived. So wasn't Allah the God who sent in his people at 911 to kill over 3500 people? And God, the only true God, doesn't require anything from us, it's a gift of grace. You're confused and spreading lies. Maybe retry the Bible w an open mind and heart. This building is a joke, and if you believe any differently, then you're under mass amounts of deception. I'm a new conversion. So I don't know nearly as much as others, but I experienced The Holy Spirit. 100% everything else is deceptive. I came from new age beliefs were "the universe was the divine". After my conversion, I was shown for a few days all the real deception in the world. This building is the beginning of the end. Please repent and go to Jesus. Your salvation is at stake. Your eternity is at stake. This short life is minor compared to eternity. When you go in front of God, and he says "I never knew you" and sends you to hell, there's no do overs. You don't get a parting gift or a half way redo, it's the end. All torture, all the time, can never be satisfied and worst of all- you're away from God forever. Please please please repent. Please. Just try the Bible one more time and ask Jesus into your heart to open it from all the deception. Please.

I respectfully agree with you Allah and God aren't the same. When Jesus came on earth, he was God in flesh. When they say the Name of The Father, Son and the Holy Spirit that is God three in one. Jesus said in (KJV) If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him. If you want another translation to these verse, it all speak of the same thing. Whether it's New living translation, New international translation, or even Amplified bible they all speak of the same thing although they are translated differently. It says in Matthew 24:35 Heaven and earth will pass away, but my words will not pass away.

Yes, it's true God send his own son. It is a really sad moment when Jesus was nailed on the cross. But have you Imagine how God feels looking down at his only beloved Son crying out and seeing him in pain and how his only son was treated badly by people on earth. Can you imagine the feeling of a Father Sacrificing his own son to save us. To Save us from our sins that we committed, if we hadn't sinned in the first place God wouldn't have send his beloved son. Yes, He didn't have to send his only son to die? Jesus said in John 14:6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. The only way for us (human) to be saved was through Jesus Christ as he said in John 14:6. See, Jesus knew who was going to betray him when he was eating with his disciples, and when Jesus said to Peter that when it's time for him to get crucified Peter will deny him three time. Jesus knew he was going to be crucified because he knew through him humanity shall receive salvation. Jesus could have not gone through with the crucifixion but completely turned away from Gods plan, and sinned. Remember he was birthed as a human and gone through the cycle of a human being from childhood to adulthood. He had to be baptised, he prayed to the Father. But he decided to go through with it. If it wasn't for us sinning at the first place he wouldn't have done it.

You mentioned about Gay people, in Christianity we do not agree with this

idea. It is just unnatural for a male to be with a male or a female being with a female. God doesn't change his rules to suit our human society. God has his own rules, own principle, own law. Some of Gods law or principle get hated by people why because it doesn't set well with human law. Like Being gay, it's a sin. And people say ohh that doesn't sound nice, that's not showing love. But that's Gods Law. God don't make law to suit human society, he makes his law for his kingdom.

I would agree if you were grown up from a Christian background, you had no choice but to go to church. And I was the same, it was boarding because I didn't understand but I decided as a teenager I will create a serious relationship with my Father. So I started to study the word. I now speak in tongues. And know my inheritance in Christ.

Our God is a spiritual God, just like the wind. You can't see it, you can see what it does to trees, grass, and we can feel him his presence. That's why human mind can not comprehend Gods Word, through the Holy Spirit we understand his WORD.

There's so much I've learn in a year when I decided to be serious with the Word of God.

The God of Abraham, Isaac, and Jacob/Israel required blood to cover sin from the very beginning when He killed animals Himself to cover Adam and Eve's sin/nakedness.

This is why there were sacrifices throughout the Old Testament. This is because while God is a merciful God, He is also a Just God, which means He cannot let sin go unpunished. The wages of sin is death, and for you to misrepresent Islam by saying it does not also make such requirements is a lie. Sharia Law is brutal, much more brutal than anything my loving God of the Trinity requires. By sending His Son, whom He knew he would resurrect in body and spirit, He gave a once and for all blood sacrifice to wash us clean from our sin, for all who believe. Allah offers no such grace. And you sit there in Judgement of almighty God, casting derision on how He chose to save His people. God will not be mocked, May He have mercy on your soul.

As far as your supposed edits to the Bible, there have been no edits. There are those who don't like what the Bible teaches and so they pick and choose what they want to obey, essentially making a god in their own image. But these are false gods and idols, those to whom Christ will say, "I never knew you", Matthew 7:23

The difference is, we don't kill the people who defame God's word. We try

and bring them back into the fold by teaching them the errors of their ways. Islam just kills anyone who defames the Koran, a book that wasn't written until 700 years after Muhammad's death. Again, no mercy or grace or opportunity for redemption there.

When it all comes down to it, it is obvious that Allah is Satan and Muhammad was his demon possessed messenger.

You are so blind to see the real truth. Jesus died to forgive the sins of the entire world. God created mankind with loving and blessings, however, Satan who is the current ruler of the world, focus on destroying all mankind and stealing away their blessings from God. This is why Jesus the son of the living God died to bring us back to our creator which is God. Allah or any other prophets didn't die or save us from sin. They don't care about us. When the end of time comes, Allah or Muhammad will never save you unless you accept the name of Jesus which who died for your sins. You will see, your choice now will lead you to Hell. Repent and accept Jesus for the forgiveness of your sins. Read the gospel of Jesus Christ. No Allah or Muhammad, but Jesus is the only way to the Father in Heaven.

Just like a judge would not let you go unpunished after committing a crime, the wage of sin is death. But if somebody pays for your crime, if somebody dies for your sins, then and only then you are forgiven and have freedom. I pray that our Lord and Savior Jesus Christ speaks through you

God, sent the Holy Spirit to impregnate Mary with baby Jesus. We believe Jesus then was God himself inside of Jesus, Jesus is therefore, God's only

begotten son. John 3:16-21 explains “For God so loved the world, that he gave his only begotten Son, that whoever believes in him should not perish, but have eternal life. For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him. Whoever believes in him is not condemned, but whoever does not believe is condemned already, because he has not believed in the name of the name of the only Son of God. And this is the judgement: the light has come into the world, and people loved darkness rather than the light because their works were evil. For everyone who does wicked things hates the light and does not come to the light, lest his works should be exposed. But whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God.” In Christianity, God comes to us to give us salvation from eternal death. (That is being separated from him forever.). It is a faith based system. He gives us salvation through his Son Jesus. If we receive the gift we do so by believing in Jesus, that he is the Son of God and that he died so we do not have to. The three days when he was buried, he went to hell or hades in our place. When he was resurrected, he will now never die again. If we believe in God, the creator (being creator gives him the right to make it a faith based system) by faith—that Jesus IS his Son and that our wrong deeds need redeeming, and ask him to forgive us in the name of Jesus and his victory over sin, we will have eternal life. If one rejects Jesus, God’s Son because his plan seems off to us, we will not receive eternal life. In Job, God asks Job, where were you when I told the sea, you can only come this far? God made the faith in Jesus based system. So, like Job, who are we to tell the Creator he got it wrong? Christianity (not saved by our own works, but saved to good works) is the only religion where God does or did the work and by believing in his work (John 3:16-21) we have eternal life. We cannot work hard enough to get eternal life or favor with God. We must believe for our redemption from our own sin. All other religions require us to work for favor. Jesus did the work—we get the benefits!!!! Praise God! Thank you, God Almighty! You reign. Call me-803-323-7938

Your right. About one thing. And you can't even see it. Because your judgment is clouded.... To know religion is to know nothing. – Christ Jesus said that. And it's written all throughout His word. So it's irrelevant if your Catholic, Baptist, Protestant or any other religious background... Christ didn't come to argue. He came to heal and redeem. And yes, Allah may very well be a god. Just like Buddha, just like the Egyptian gods and the pagan gods of the shores of Scotland and Ireland. But in the word of God, the "Bible" it reads He has come to judge the gods and devour them all. And, yes, you are right again about the constant changes.. such as the gay topic you mentioned... But that opinion is only from humans. Not God. Gods word, which is Christ, will always be true, will always stand alone and will never ever ever need defending. It has been around for more than 8,000 years and not one tittle of the law shall be changed. So while other humans practice their religious beliefs and keeping it to themselves, Christ wants His word of Truth to be freely taken by all. Stolen if you will. Because the Truth cannot be returned void. So yes, you are right. Because you are human. A frail little thing without the mindset to comprehend because you choose not to open your mind and live for something greater than yourself. Your knowledge will never outweigh the wisdom of God. And it's because while He chose mercy, you choose human thinking. Which is nothing more than dust between a fingernail.

It's only until we receive the revelation that Jesus is not a separate person, but is God himself manifested in the flesh, that we see how much He loves us and has been chasing us since the beginning. He walked with us in the

Garden of Eden and chased after us as we hid in sin. He enrobed himself in flesh and walked among us. Then he died and rose again to redeem us. He rose again and sent His Spirit to live in us, which is our seal until the day of redemption to live with Him forever. “And without controversy great is the mystery of godliness: God was manifested in the flesh, Justified in the Spirit, Seen by angels, Preached among the Gentiles, Believed on in the world, Received up in glory.”

I Timothy 3:16 NKJV

“Nevertheless I tell you the truth. It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you. And when He has come, He will convict the world of sin, and of righteousness, and of judgment:”

John 16:7-8 NKJV

“And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption.”

Ephesians 4:30 NKJV

It's obvious you don't know Christianity, because you say that the Bible is changed. It's not changed. There are people who teach wrong things, but the Bible remains the same Bible. Jesus loved us and He willingly sacrificed Himself for us and rose from death, so He conquered the death and He gives life to those who trust Him. Muslim worship God who doesn't love them. The only true God showed His love by action, not only by words.

You do realise that reading an English translated Quran means nothing.. muslims themselves will tell you that you need to learn the Arabic language otherwise you are reading a false book. So how am I an English speaking person meant to know the value of this book if it's own people can't trust their own scholars to translate the Quran properly. Plus the Quran was written by an unknown scholar how can you find credibility in that..

Islam came about 600 years after Christianity and in your own book it tells you to read the injil Arabic meaning for (Gospel of Jesus) not once does the bible acknowledge the quran.

It's a false book. How I know why.. Galatians 1:8-9 says,

“But even if we, or an angel from heaven, preach any other gospel to you than what we have preached to you, let him be accursed. As we have said before, so now I say again, if anyone preaches any other gospel to you than what you have received, let him be accursed.”

Muhammad claims Angel Gabriel gave him the quran, The problem here is that the Quran doesn't acknowledge Jesus to be Son of God. That's a False Gospel. I say come back to the truth and repent.

Jesus died for our sin and was raised from the dead to justify us, who by faith believe, before a holy God. For a just God needs to punish sin. Then since we're all sinners we need a substitute that we may have eternal life. The perfect God-man Jesus laid down his life for us, now that's real love.

Matthew,

God is 3 persons in one, the Holy Father, his Holy Son (Jesus Christ), and the Holy Spirit.

God sent his Son, Jesus Christ, but he is God in flesh. God, therefore, had suffered for our sins. We were born in sin, since Adam and the fall of humanity, separating us from God and His holiness. But, our loving Heavenly Father, through divine intervention, as the incarnate Messiah, paid for our sins, and satisfies His righteous anger against our disobedience, by dying on the cross (for those who receive and believe His Good news and will for us). Through his Son, our Father offers us redemption so we might have fellowship with Him for all eternity.

We have a great Father who gives freely of Himself, in ways we can't fully wrap our human minds around, He is full of lovingkindness. All he has wanted, is to see all his children respond back to His love and return to Him safely out of sins grip, and otherwise, spiritual death.

I'm sorry you did not experience truth and a changed relationship with the Father in your earlier years while part of the Christian church. As fallen creation, humans saved and unsaved are still sinners, (until Christ's return and we are given our new bodies).

But I pray that He will open doors to knowing him more fully and have that relationship with His Son, and therefore, Himself, so you might know real love and have true life in Him.

The Bible was written in Hebrew and Greek and it's never changing. Just because the world changes the bible doesn't mean we follow the world's version. God loved us so much He came down in His own self and out himself in a human body and we rejected and killed HIM. He rose from the dead. God is Jesus in human form and the Word of God is God in Word form in Hebrew and Greek that is. Those of us who have spent years reading the Bible know it's the work of GOD and not possible for any human to write it. The works of Lee Strobel will answer any questions you may have... Allah is the same God of the old testament that Christians have.. both Muslim and Christians read the Koran so you should be careful what you say about the Bible when referring to Allah or Jesus

Otherwise, you would have never believed in Islam even if the "loving" Allah thru his servants were about to cut your head as they have done thousands of times against Christian believers. Jesus Christ tells us to love our neighbour, not to kill him. He tells us to forgive 70 times 7. He is the Prince of Peace.

Historically, Islam has killed and maimed non believers and kills family members if they convert to Christianity

Matthew, it is good you have expressed your mind and dept of understanding of Christianity as well as your personal choice to be a Muslim. The freedom of choice on who and the way one should worship is the right of every human being. However although everyone is free to make his or her own choice no one has control over the consequences associated with choices that have been made. That is how the world runs. If you eat a peace of food you cannot tell it not to digest in your stomach and if the food is poisonous you cannot tell it not to harm you. Wisdom requires that adequate care is taken to investigate the consequences of an act or decision beforehand.

Let me comment on your report that you were forced to go to church. Did your parents force you to go to school may be some days?, Did they force you to sleep \*on some days? Did they force you to sit down and behave yourself some days? Did they force you to eat? etc. If they did why have you singled out going to church?

I submit that your parents did what they believed is good for you and if you refused their love and effort to receive spiritual training blame your self and not them. You ought willingly and joyfully learn the teachings of the Bible in the church you attended but if you did not do so it is adviseable that you go back and begin again a student of the holy book. The bible teaches that God sent His son to die for our sins. Have you considered what the death was? Who killed Christ? Did the bible say God came down to kill him? Read the report carefully and notice that the Romans and Jews put him on the cross and nailed him on it even though they knew he was innocent of any crime. Jesus was killed by humanity and not by divinity. In the wisdom God, He allowed the event to happen so that he could appropriate it for the redemption of all men from their sins including you. If you reject Christ then your sins remains with you.

The first man to be killed according to bible report was Abel and his blood cried for vengeance but Jesus is not asking for vengeance but forgiveness for all mankind including you. Read the prayers of Jesus and notice he asked the Father to forgive sins. Do you know of anyone that Jesus killed? Rather he healed, people, raised the dead, forgave sins throughout his ministry. Mohammed killed thousands of people. Would you rather follow a killer or a saviour? Are you sure that if Mohammed saw you when your parents were taking you to church he would not have killed you? Would you have survived to change your faith to become a muslim?

Another thing you must establish in your heart is that God did not allow the Lord Jesus to remain in the grave. He stayed three days and he was raised again to life and is now alive forever. He cannot be killed again.

Mohammed who killed thousands of people has not risen from the dead. His body is still in the grave. Will you rather continue to follow a dead man instead of a living man who can never be killed?

Is there any record in the quran that says that Mohammed did not commit any sin or wrong act? Is being a pedophile right?. Do you believe in the resurrection. When you rise from the dead will you rather choose to follow an innocent man of peace or a merciless warrior who will be judged for his sins.

My strong appeal to you is to take a second look at the bible and study its messages and teachings carefully. Also note that the Quran is reported to have directed people to consult the bible for the truth.

God bless you with new insight into His word and Redemption plan and provision.

People that don't know God don't understand the love of God nor his sacrifice to save the world. It's God that decided that sin is atoned for through blood. Jesus Christ is the Lamb of God who takes away the sins of

the world. Christianity is the only religion where you are saved through faith in Christ Jesus. If we could save ourselves Christ would have died in vain. God humbled himself and came as a baby to redeem back to man what was lost in the garden of Eden. What God desires more than anything religious is a relationship with him. Practice his presence you have nothing to lose and everything to gain by just asking Christ to come into your heart and reveal himself as the son of God. The Bible says there's a way that seems right to man but in the end leads to death. We plan for our futures eternity is forever now is acceptable time.

Christianity is the biggest religion in the world. If you think you know God then you know the truth from the holy Bible. Sorry again to see that you've only read/quoted the early part of the coran ( the mecca portion) that started out tolerant with no compulsion to believe. Later when mohammed saw that hardly anybody was accepting his religion, you will find the medina portion added that says that Everyone who does not accept allah is an infidel kafir and Must be made to submit to islam; which is exactly what did happen as mohammad went off on forceful conquests. That is how islam spread so quickly thru fear and force; the exact opposite to Christianity which spread by peaceful word of mouth thru the preaching of St Paul and the other Apostles, accompanied with proof of miracles (of which there were none to back up islam). Sadly the extremists you mention are NOT going against islam nor coran, BUT are doing EXACTLY what the coran ,the hadiths, the surahs prescribe and so what are obeying and carrying out exactly what islam teaches!

Eg Surah 5:33- unbelievers should be crucified or their hand and foot should be cut off.

Of the Jews , the coran says: Surah 5:60 allah has cursed and has brought his wrath and of whom he has made apes and pigs.

Worse, Al Bukhari 3593 from hadith Ibn Umar says :Kill the Jews wherever you find them. If they hide behind rocks or trees, these will cry out 'There is a Jew behind me; kill him.'

surah coran 5:31: "O believer do NOT take Jews and Christians as friends; for they are friends of each other; whoever takes them for friends, is one of them."

And sadly many such like verses and instructions.

You see when the Jews and Christians did not accept islam – not surprisingly, as it appeared suddenly, with no long line of Scripture and Prophets as had Judaism/Christianity. It merely hijacked and altered these Scriptures, I'm sorry to say.

Most, over 60% of islamic scripture is actually a polemic against Judaism and Christianity, rather than having any real theology in it.

Therefore please dear Matthew for your own Salvation's sake and those around you, please re-research Christ and His Atoning Sacrifice for you, for me , for Everybody. Speaking of which, this seemingly cruel Sacrifice was the ONLY way that the Only, All-Holy, God of the Bible could reconcile Mankind to Himself. His Love made Him sacrifice Himself as Christ in the flesh (which is why He became Man), to Free US from condemnation!

But it is again one sided Affection or Love as soon as some one pays attention to Allah they connect with same frequency then he/she becomes entitled to His WANTS, He is always awaiting for that attention and connection from His slumbered creation, doesn't it makes any sense? Allah says ponder when you read Quraan then Allah Makes it easy for us to comprehend His Philosophical statements. GOD word has not change and neither has GOD. We, as people are evil and lost and are in need of Salvation. GOD is just and because of sin, sin had to be paid for. JESUS obeyed the FATHER even to the cross. Look how depraved we are. None of us are good, but one and that's the FATHER.

Sir, I hope you become born again, you repent and turn from your sins, become regenerate and converted. Unless you repent and turn and be born again, you will spend an eternity in the lake of fire. God gave us his son in human form. He had his choice to go to the cross or not, but he was perfect were we as humans could not be. He gave his own life, he prayed in the garden that God would let this cup pass from him but be Gods will not his own. It was the shedding of blood to cover sin from the beginning to the end. Where is your god now , rotting in the ground dead. My God still lives. By the way if you read and understand kjv bible Jesus is 100% man and 100% God.

I too was raised in the Church and I love Jesus. Jesus is part of the Holy Trinity including God (our Father) and the Holy Spirit. God is so Holy no one could come to Him in prayer that's why He sent Jesus who is all love! God so loved the world He sent His only Son to die for our sins. Why would a loving God do that because He loves us and He raised Jesus from the dead to show us how awesome He is! God is truly awesome! I'm praying you have an encounter with Jesus.

Brother HELL is real and so is HEAVEN God the Almighty is our creator and gave us free will, its up to use to choose him (Heaven) or not to choose him (to go to Hell) he definitely wants us to choose him but the devil does not, God he just wants us to be able to choose him and to have a relationship with him and to see that he did send down his only for be gotten son to save all of us from our sins. Read the Bible on your own without anyone forcing it upon you trust me its the truth, John 17:17-21 Sanctify them by the truth; your word is truth. As you sent me into the world, I have sent them into the world. For them I sanctify myself, that they too may be truly sanctified. My prayer is not for them alone. I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me. John 18:36-37 Jesus said, "My kingdom is not of this world. If it were, my servants would fight to prevent my arrest by the jews. But now my kingdom is from another place (Heaven)." "You are a king, then!" Said Pilate. (The High priest) Jesus answered, "You are right in saying I am a king. In fact, for this reason I was

born, and for this I come into the world, to testify to the truth. Everyone on the side of truth listens to me." So yes he did send himself/his son in human flesh to save us all because he loves us so much. With a single word Jesus could have leveled pilate, the Roman guards and everyone else who opposed him. But instead, he allowed this series of illegal trials to run their course. Jesus remained firmly in control of the events that led to his crucifixion, and this account demonstrates that restraint is sometimes the best exercise power. But it also proves just how much he loves us for all the sin we have filled up in the world. "It is finished" that means the debt is paid for he paid for it, its our ticket into Heaven and now its up to us to choose where we want to go either into Heaven and follow Jesus Christ or to Hell with the devil worshipping all other gods that say you must die for switching onto other religions. Brother religion doesn't matter that much even though I say im a Christian but no matter what I Follow God and Jesus Christ because I know there is a Heaven and a Hell and when we pass on and our soul leaves I would like to spend my Eternity with God almighty and with Jesus the man who died for us. Amen ill be praying for you brother.

You are misunderstanding the story of Jesus. Jesus is God manifested in the flesh. God sacrificed himself in the form of his “son” Jesus. Allah is the god of the illegitimate son of Abraham. Christ came to rid the world of the religion. There is only ONE way to heaven and that is through Jesus Christ. He is the Lord and Savior. Least you repent of ways and turn from is the only way you will gain true salvation. Jesus is the great reconciliator. Accept him to gain access to heaven and eternal life..

Look The Son of God was God himself. You can't separate Elohim from the Logos which is the WORD OF GOD. Just as much you can't separate your

spirit from your body; the body without the spirit is dead. According to Quran Allah created all things through the WORD. So is the Word Creator or creation? Bible said “In the beginning was the WORD and the Word was with God and the Word was God” don’t you know the same Quran teaches that Jesus is the Spirit of God, and he is the WORD OF GOD? Do you know the word “begotten” means one Person bringing forth himself? How could God send another besides himself. The WORD was made flesh.

You were not taught well, that’s why you embrace the Islamic faith. I have nothing against Muslims brethren. But Christians who read the Bible well under the inspiration of the Holy Spirit knows, for it is written “The Just shall live by Faith” and “with out Faith is impossible to please God”

Keep in mind that Jesus is God, so it wasn’t an unloving act because Jesus chose to do it. It is in fact the most loving act he could possibly do. What act would better show how grave our sinful condition is (how much we need Jesus) and how much God loves us? If the death of Jesus was the only thing that could save us, what did we do? How sinful are we? Also, what better way is there to prove love to someone than dying for them? Not only did this act show how much Jesus loved us, it also shows how much the three persons of the Godhead love each other, as the Son obeys the Father and the Father honors/lifts the Son up, the Spirit holding the two together.

As for the Bible being changed, any true Christian will know it hasn’t changed, besides the English version getting more accurate translations that mean basically the same thing, and exactly the same thing where it matters. There is no Bible, unless someone made a fake one, which then isn’t a Bible at all, that does not condemn homosexuality, like you mentioned in your example. Some progressive Christians try to interpret

the Bible that way, but they are clearly wrong based on what the Bible says. Also, no true Christian who knows what they are talking about would go to the other extreme of all gays going to hell. Homosexuality is a sin, and all sins do lead to hell, but if a gay person repents and turns to Jesus, just like any other sinner (and we all are sinners, or were), they would be saved.

I'm sorry your misconceptions about Christianity from your childhood led you astray, and I pray God would redeem you.

Instead of having the viewpoint Christians serve a God who needs to sacrifice his son maybe consider that we have a God who is willing to sacrifice his son because he loves us & doesn't want to be separated from us & his son Jesus was willing to be sacrificed for that same reason & with the same love. That is the only way anyone can be in right relationship with God, through his son Jesus. I personally am thankful that God loves me enough to provide a way to Him.

My friend your comment is out of ignorance. When did YAHWEH ever edit his words? Homosexuality is STILL a sin, if it is edited then that is man's doing and you can be sure that they will receive their reward on the day of judgement. YESHUA had to die because when you and I sin the penalty is death and blood had to be shed for forgiveness. This is why rams and bulls were used in the Old Testament but they were insufficient so YAHWEH had

to send YESHUA to earth to be the sacrifice for us once and for all. Roman Catholics are not Christians, they pray to images and practice other things which are prohibited in the word of God. I challenge you to search the Bible concerning end time occurrences and look at all that is taking place in the world to include this article and you will find the truth. Shalom

Another name for son is flesh and blood aka the body part of a three part being (soul, spirit, body) of which we are made in his image. God sent his one and only son (flesh and blood) to die for our sins. He himself is the salvation of the world. He called himself son of man because there needed to be a sacrifice for remission of our sins, a death to end the first covenant, and resurrection to begin new covenant. Believing or having faith is receiving the holy spirit and proof that remission of sins has occurred is praying in a language enabled by God himself in the name of the father/son/holy spirit, The Lord Jesus Christ.

The first Christians were Jews. The first Muslims were Jews. In the beginning, man screwed up. We sinned by disobeying God. God wanted to "abide" with us for eternity, but we were tainted with evil. We still are. Lucifer was jealous and led other angels astray. They had children with humans, but this was against the natural way. The kids/Nephilim or giants ate animals, people, and had sex with people and animals. From the get, after mankind screwed up God had a plan to get us back to him. His plan was to have a "royal" bloodline that began with Adam and ended with a Savior of mankind. Lucifer, on to the plan was, with the help of the fallen angels/demons, dirty up the bloodline or contaminate it. He almost did, but God gave us a clean slate with Noah. God is merciful. He should have killed us a million times, but instead He came here in the Spirit. His Spirit was poured out on Yeshua without limit, and when Yeshua died the veil ripped or tore in the synagogue. Before He lived a sinless life and willingly died, to atone for your sins was a constant and laborious task that only Jews could perform. After the veil tore God was saying no more are we divided by a curtain. I am here for all, invite me in. I have read the Koran and much if not all of what is in it can be found in the bible, and I didn't gain any knowledge that I didn't have before. The sections were like wisps of air, in that they had words, but that said nothing. The bible has

been checked and verified, and it was not too long ago retranslated from the original plates. The bible tells you to verify the b.s. people tell you. I suggest you do because trumpets 1-4 have been blown and there is the “one world religion”. The Father, the Son, and Holy Spirit are one. If you believe in Lord God and that he sent His Son to die for our sins, then you are one with Him. I am gay btw. In the NT we are told that because of the sexual sins of our ancestors, God put “homosexuality” in us (sounds like our DNA to me). Yeshua will not be happy with the modern church, nor with it 20 years ago.

Hello,

I am not sure if I will find this again, if you do reply because I get so many email notifications. There are a few things I would like to share with you that might help. I write this out of Love for you and for God.

1. I share the same heart for God that you do.
2. The Dead Sea scrolls that were found in the 1960 (I believe) match both the scripture we have today and also the ones carried forward from before Jesus and after. They all match, In addition to that the scrolls were all found in different locations and they all say the same thing. If they were changed then finding the old ones to make that change would have been impossible. So the Word has not changed at all over the years but people do.
3. People who are Gay still go to Hell. Just because some in certain groups allow it doesn't mean God does. Everyone who rejects the Jesus will go to hell. If you say you are changed from your Sin full ways but still live a Sin full life style like Homosexuality then you weren't saved in the first place.

We will make mistakes every single day but the Christian will see what they are doing and distance themselves from that Sin.

4. A perfect and holy God can not change. If he did then he wouldn't be perfect because change means at some point he was wrong. God can't not be wrong ever or he wouldn't be God. So then if we Sin against a perfect and holy God then there must be atonement for that Sin. Just like in the Old Testament when they had to sacrifice a lamb to cover Sin. Jesus was the perfect lamb of God. Like the Flood God saved some who were righteous while the rest were drowned. Instead of rejecting what Jesus did for you, you should rejoice.

5. Hold the Quran to the same standard you are the Bible, there are blatant corrections and changes one verse will say do this and another will say that it's okay. You will not find the same contradictions in the Bible.

NOT TRUE WHATSOEVER!!! @matthew your prophet Muhammad believed in killing and you want to say that's loving. He was one of the most violent people in history and did some terrible things. Jesus Christ never was violent towards anyone he only showed love which is the opposite of what muhammad did . This is to inform people who read this on the truth! Think about why someone would willingly give up their life for someone and there is only one reason for that which is because they love you so much!

A sacrifice had to be made for our sins. The sacrifice had to be perfect. So God sent his son to die for our sins. His son wasn't sacrificed for him, he was sacrificed for US. That is true love. He didn't have to do that. But he did it for us as a gift. All we need to do is accept that gift.

So even though Jesus IS God's son, it's a bit different than how we look at it on this earth. Jesus is God made flesh, so God essentially created Himself as a man on this earth, and sacrificed Himself. Yet because God's divine nature is to love mankind He loved Himself and also was Himself. It's hard to explain and hard to understand. But another aspect of that was that as a man, He also had faith in Himself. And as followers of Christ His coming to show us how He could walk in faith despite knowing that He

would never get to have a “normal” life with marriage, kids, etc, and that He would also die even though He didn’t deserve it, is proof that what He is telling us to do He also believes and would do. You see we gave our authority to the enemy by believing in his lies about God. God gave us dominion, but we sacrificed that for what the devil offered us and now the world is constantly fighting us and we don’t have that power over the world anymore. Evil has taken over. Any attempt to rule or reign without God only leads to destruction. But when we believe Him in all truth then we can be set free from the deception and He will help us navigate in faith until he returns to put an end to abomination once and for all.

Well, the Father, Son, and Holy Spirit are 3 in one. While Jesus did walk this earth as the son of God, it was also God walking in the flesh. He did this so he could teach us the right ways to pray, how to love each-other, and how to live life the best way you could, for the Glory of God. Jesus healed the sick and deaf and lame, and yet people still didn’t believe. They hated Jesus because what he was teaching went against their customs. Jesus never showed anything but love, True love on this Earth. The reason he had to die on the cross was because the wage for sin is death. So, Jesus paid that ultimate price so we didn’t have to. We repent and come to God with an Earnest heart, and our sins will always be forgiven and forgotten. It’s

ultimately up to us to chose our fate. God is a loving, merciful God, but he is also just. Peace be with you, I hope this helps.

Hi Mathew, it's a pity you went through church and didn't let church go through you. Imagine, for example, a greatest grand parents did something so terrible that all the rest of their generation, born and unborn were condemned to death and they have been sweating out their lives

trying to break free from this chain all to no avail till a righteous person came and gave himself for the ultimate sacrifice that will give them freedom for all eternity. That's what Jesus did. Can you believe he did this for all mankind? regardless of your status, religion or color? I guess you must have taken your Christian upbringing canally

Rom 8:6-7 EasyEnglish 6 People who let their human thoughts rule them will die. But people who think about what God's Spirit wants will live. They will live because they are God's friends. And they will be without trouble inside themselves. 7 A person who always lets his own human thoughts rule him will be God's enemy. A person like that does not obey what God has said. A person who thinks like that is not even able to obey God.

Yahweh is a spirit. Do not judge Him with your physical eyes.

Whoever told you that homosexuals will go to heaven lied to you.

1 Corinthians 6:9 (ESV): 9 Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived: neither the sexually immoral, nor idolaters, nor adulterers, nor men who practice homosexuality, 10 nor thieves, nor the greedy, nor drunkards, nor revilers, nor swindlers will inherit the kingdom of God.

The bible remains the same. The Word of God never changes. If homosexuality is legalized, those who practice it will surely face the wrath of God. Including those who legalized it. If you still have a Bible, read Leviticus chapter 18. God gave Moses laws on immorality and in verse 22 it says

“Do not practice homosexuality, having sex with another man as with a woman. It is a detestable sin.

If Yahweh calls homosexuality “a detestable sin” what is the possibility of Him accepting one who practices it in heaven?

Allah, as you have said, won't give his son to die for you. That means that he doesn't love you but God Yahweh, who is all love, let His only Son Jesus

Christ die for you to give you The Way to get to Him. What a shame to your “most loving”

Allah, as you have said, doesn’t need to kill his own son so that your own sin will be forgiven, but Islam feels free to shed innocent blood of those they have labeled “INFIDEELS” to enable them go to heaven. What a shake to your “most merciful and just”

Allah who teaches the marriage of many wives to one man and encourages pedophiles, female mutilation and slavery against the original plan of one man one wife which Yahweh had put in place. Of course according to you he is the “most mighty”

I must tell you Matthew, we all have a freedom of choice on religion but I can assure you, in Islam, you are not free. I’m sure no place the Quran set any Muslim free but

Joh 8:36 BBE If then the son makes you free, you will be truly free.

Only in the bible can you get such powerful statement.

I hope you’ll realize you are living in bondage while believing in a lie and worshiping a fake god. Come to the light. Jesus Christ is the light. He is The Way to the One True God that will give you eternal life – a good life after death.

Come back to Jesus by saying this prayer

“O Lord God, I believe with all my heart in Jesus Christ, Son of the living God. I believe He died for me and God raised Him from the dead. I believe He’s alive today. I confess with my mouth that Jesus Christ is the Lord of my life from this day. Through Him and in His Name, I have eternal life; I’m born again. Thank you Lord, for saving my soul! I’m now a child of God. Hallelujah!”

If you said this prayer, you have to take the bold step and find a Bible believing Church and attach yourself to The Word of God.

I pray that Yahweh will open the eyes of your understanding to know the mysteries of His will for you in Christ Jesus, amen.

yes, amen! The father of their religion came from Abraham's illegitimate son. Therefore, that religion' heritage and bloodline is not pure. Only the religion of Christ is pure and true by the promised son of Sarah. That's also the real reason for the flood too. God had to bruise the heel of Satan by cleaning the bloodline, because Satan was continually keeping the bloodline tainted with fallen angel blood from them having sons and daughters with humankind. so Jesus couldn't be born, but they were so evil that God had felt disheartened with creating us. However He found favor with Noah. We're becoming like those in the days of Noah & Lot, so time to get your house organized and ready. God bless!

GOD, is what you say, to be with GOD is sacrifice ones self, GODS spirit is sacrifice to all beings he created , what is spoken is true, humans since the beginning have no knowledge of the truth and never will till they come face to face with GOD, we were all one group in the beginning but had different thoughts about our creator over time, this is where we are now

confused, the things about to happen can't be stopped ,it is prophesied , it's really amazing to be part of this and I thank GOD I see what so many are blinded to see, grace and peace be with you all, praise GOD ALMIGHTY FOR EVER AND EVER

You cannot blame the only true God for people who abuse their position to create their own narratives! As humans we are all equal and no one is equal to our creator. If you were raised a Catholic as was I, you will be aware of the scripture Revelation 22:19, you cannot remove and change his thoughts to suit modern day thinking.

God is a God of justice. The-price-for-our-sin (which comes from our free-will being used to sin) is-death. Jesus-(who is God) took the price-for-us-because His blood covered the price-for all who believe in Him because His Godly blood was powerful enough to cover all sin, so we are covered by His mercy. It was His choice and He chose to do it out of love: that is not cruelty, it is love and free will. At any point Jesus could have called down angels to take Him back up to Heaven but He chose the cross out of submission to The Father and out of love for me and you. I'm not sure what Islam says about sin or the price of it, but sin demands payment for it, Jesus did it for us out of love.

The Bible has been translated to different languages but it remains fundamentally the same. Eye witnesses of Jesus all tell the same story of Jesus, just as accurately as witnesses in a crime telling a story, even through thousands of years and forty plus authors, there is one consistent story without contradictions.

When Adam and Eve disobeyed God's command, it broke covenant with God and man. The way to restore a relationship with God, the man Jesus had to become a living sacrifice for all humanity, so that restoration between God and man could take place. There was no other blameless man to become the sacrifice that was needed for God and man to have a relationship again, except His Only Begotten Son. I am not looking down on who you choose to serve, just know that God loves you too.

Now why Allah never sacrificed anything for you begots me. I fell in love with God who saw me worthy enough to save me from myself.

Revelation 1:17-18

“I am the Alpha and the Omega,” says the Lord God, “who is, and who was, and who is to come, the Almighty.” Revelation 1:8

“For to this end Christ died and rose and lived again, that He might be Lord of both the dead and the living. But why do you judge your brother? Or why do you show contempt for your brother? For we shall all stand before the judgment seat of Christ. For it is written: “As I live, says the Lord, Every knee shall bow to Me, And every tongue shall confess to God.” So then each of us shall give account of himself to God. Therefore let us not judge

How you can get something so wrong is beyond me. Abraham was spoken to by G-d. In Hebrew the word G-d is pronounced el-o-heem. In Arabic it is Allah. All three religions believe in the same G-d. The G-d of Abraham.

Y'all talk so much about Jesus. Jesus was a Jew. He was actually a rabbi. He was actually a Cohen. Cohens are direct descendants of Aaron, the brother of Moses. Surely the followers of Jesus are believing in the same G-d as Jesus.

You just don't get it, he loved the world that he gave his only son Jesus to die for all mankind's sins that whoever believes in him will have eternal life, that's the ultimate sacrifice, and he rose defeating death 3 days later , Ask yourself Who do you know who would give up there son to death for you to live for ever , you will say No one well you do now Jesus is that one who took all your sins away so you believing him to be the son of God to have eternal life, that means if you accept this then when you sin you go to God and ask him to forgive you of the sin you've committed in Jesus name and pow its gone forgotten God does not see it anymore and as you grow as a beliver you start to live a better life and sin less and less as your desire is to be like your saviour. Simple God is love and wants all to be saved but alas that's not going to happen because if there's God then there's Satan and he's out to take as many people he can with him to hell.

Pastor Rob

October 28, 2021 at 12:03 PM

Yes, God does allow worship (better translated as “obeisance” or “to prostrate oneself”) of His very special Son, whom Almighty God anointed as our savior. He is worshipped as our Lord, but not as Almighty God, of which there is only One, and it’s not Jesus. If Jesus was Almighty God, the “anointing” language and the fact that Jesus still worships His God in heaven today (Rev. 3:12), would be nonsense. You don’t anoint someone who is already God. And if Jesus was Almighty God, He certainly wouldn’t also have a God. ALL of the non-biblical talk about Jesus being a “God-man”, or “100% God and 100% man”, “God the Son”, etc, is exactly that – unbiblical nonsense. I’ll just stick with the God and Jesus of the Bible, minus the man-made extra-biblical theories. We were warned strongly by

Paul to accept no other doctrine other than what they plainly taught. After reading the Bible cover-to-cover many times, there is no possible way I could ever ascribe to something so blatantly false as the trinity – no matter how many Christians may tell me I'm going to hell. In truth, these folks will be the most surprised when the rapture happens and they find themselves still here... sadly.

Don't be afraid to think and learn for yourself. God is looking for such people who hunger for His truth and to please Him. God may hold it against people for blindly following false teachers, I don't know. It's certainly a lot easier and less time-consuming to take that path, and it's the path of the vast majority.

But a person diligently seeking God and His truth will not be disappointed.

Pastor Rob, thank you for taking the time to share, you have caused me to think and look deeper into Gods word. In doing so I have deeper grounded my faith and understanding in who Jesus is. It is so important for each of us not to take mans word or understanding on any subject, but to look into the word of God to see what it actually says.

Pastor Rob, with this in mind, I don't understand how you can say that "Jesus is God" is unbiblical nonsense and man made extra biblical theories.

As you read through the Bible to find truth about who Jesus was, what did you do with:

Romans 9:5 To them belong the patriarchs, and from their race, according to the flesh, is **the Christ, who is God over all**, blessed forever. Amen.

John 1:1 In the beginning was the Word, and the Word was with God, and **the Word was God.**

Colossians 2:8-10 See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, and not according to Christ. 9 For in him the whole fullness of deity dwells bodily, 10 and you have been filled in him, who is the head of all rule and authority.

I John 5:20 And we know that the Son of God has come and has given us understanding, so that we may know him who is true; and we are in him who is true, **in his Son Jesus Christ. He is the true God and eternal life.**

We can question that which we don't understand with our human minds, and try to build a case against that which we don't know, or we can take Gods word as it is in Faith knowing that He is God and we are not. I trust you will find peace in your heart to accept that we don't have to have everything figured out, and that it is ok not to fully understand everything, but to walk in faith every day that Gods word is true and accurate and He has everything under control. May you find the truth you seek.

February 22, 2022 at 10:46 PM

Bro the Trinity is one of the most Biblically supported ideas a Christian can believe. I'm not saying you are going to hell or anything, but there are plenty of verses talking about Jesus being God, and verses where all three persons of the Godhead (or two of them) are mentioned together. Denying the Trinity is heresy. Here are some verses:

The Old Testament makes it very clear that God is one: Deut. 6:4

The New Testament does not deny this, but through the incarnation and Pentecost, we know that God is a complex oneness who is also, simultaneously three persons: Matt. 3:16-17, 28:19; John 3:34-35, 14:26, 15:26; 1 Cor. 12:4-6; 2 Cor. 13:14; Eph. 4:4-6; Titus 3:4-6; 1 Peter 1:2. All of these verses include all three persons of the Godhead together. Another response here already gave some of the obvious proofs of the Trinity as well in John 1 and other spots.

If it is confusing how God is both one and three, and three in one, at the same time (fully one and fully three), and also how Jesus can be fully God and fully man as described in John 1 and Phillipians 2, which says "Christ Jesus, who, though he was in the FORM OF GOD, did not count equality with God a thing to be grasped, but emptied himself, by taking the form of a servant, being born in the LIKENESS OF MEN. And being found in human form, he humbled himself by becoming obedient to the point of death, even death on a cross. Therefore God has highly exalted him and bestowed on him the name that is above every other name, so that at the name of Jesus EVERY KNEE SHOULD BOW, in heaven and on

earth and under the earth, and every tongue confess that JESUS CHRIST IS LORD, to the glory of God the Father.” Don’t expect to fully understand God! Also, what this passage tells us, besides saying Jesus is Lord, is that we should bow to Jesus, the name above every other name. Would God command blasphemy against himself, because if Jesus is not God, bowing to him above anyone else is certainly blasphemy, yet God commands us to do it?

The three persons of the Godhead give praise and honor to each other and have specific roles (the Father says, the Son does, and the Holy Spirit is/ holds them together/ helps us) which is why the Son praises his father and obeys him.

You also go against hundreds of years of church history and scholars who are way smarter than you. The vast majority of scholars believe in the Trinity (I actually don’t know any who don’t, although there probably are a few). I too have read the Bible from cover to cover multiple times, and so have many who believe in the Trinity; definitely more than those who don’t. This doesn’t necessarily mean you are wrong, but going against what has been basic church doctrine for hundreds of years is not the best idea when the Bible supports the church doctrine and you have yet to give a Biblical reference that condemns the Trinity.

Finally, if Jesus is not God, he could not have, first of all, defeated death, and second of all, payed for our sins. Could a normal man who isn’t God lead a sinless life? No, because the Bible clearly says that all of mankind is sinful, Could a man who isn’t God forgive sins as Jesus did during his ministry? No, which is why the Pharisees didn’t like him when he did it. Could a man who isn’t God claim to be God, as Jesus did when he said “before Abraham was, I am” (and the Pharisees wanted to stone him for blasphemy) and still be considered God’s messenger if he was in fact God (in other words, is Jesus a liar, and if so why is he included in the Bible as our Savior)? No! Could a man who isn’t God even hope to take all of the sins of all of humanity on his shoulders and die for the whole world, forgiving everyone in the process and splitting the curtain in two?

Of course not! Jesus being God is the central point of the Christian faith, and by denying it and encouraging others to do so as well you preach a false gospel and are condemned as a false prophet. I pray you would repent, and I pray no one else is deceived by the unbiblical heresy in sheep's clothing that would falsely and baselessly claim that Jesus is not God.

---

**Jack**

February 22, 2022 at 10:57 PM

Also, I know I already responded, but what would you say to someone like me who is seeking God and trying to discover the truth of God's Word and has read the Bible all the way through several times and a lot of passages many many times and finds that a plain reading of Scripture, with no extra man made stuff, clearly supports the Trinity? Will I really be left behind at the rapture? Even if I believe in the Lord Jesus Christ, and that I am sinful, and that I repent of my sins and confess that Jesus is Lord who saves me from my sin through his gift of grace which I accept? Like I mentioned in my last response, how could I even believe Jesus can save me if he is not God?

Trash. They can try to join us all they want to but NOPE. Ain't gonna' happen, and I will never do it. Also, Catholicism is not Christianity. Also, Allah and Christ/Lord God are NOT-NOT-NOT the same "God". Two totally different entities, so I ain't going to worship Islam's satanic god. Christ will rapture us true believers out soon. The end is clearly near, and I will not be here -praise the Lord- to see what craziness will come to wicked, sinful planet earth. The Pope is of Satan. Read Revelation. A true believer who KNOWS God can never "shake hands with" the spiritual enemy; however, two unregenerate enemies (Catholicism and Islam) CAN. But they need to give up now if they think we're going to bow to that ridiculousness.

“Christ will rapture us true believers out soon. The end is clearly near, and I will not be here...”

You believe a satanic lie. The “rapture”, in which God will gather His saints, the elect, occurs at the Last Trumpet...

(1 Cor 15:51-52) Behold, I show you a mystery; We shall not all sleep, but we shall all be changed, {52} In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

...aka the “trump of God”...

(1 Th 4:16) For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

...which is the 7th Trumpet of the Book of Revelation, ...

(Rev 11:15) And the seventh angel sounded; and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.

...said event happening AFTER THE GREAT TRIBULATION, ...

(Mat 24:29-31) Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken: {30} And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. {31} And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.

...so saith the Lord.

So true. Rightly divide the word of truth. We will see him, but we will go through tribulation, not wrath.

No fiction movie can compare to the wrath that will be for the fallen angels and those that do evil and refuse to come to Christ.

I appreciate the reply, however, this is unbiblical. That is NOT the same trumpet at all. Christ will not leave his Bride to experience the Tribulation. He let's us know this. Also, the Bible says that the Holy Spirit is gone. After the rapture the Holy Spirit is never mentioned again. The Holy Spirit lives in every true believer; therefore, when we go up, so does he. A pre-trib rapture is easy to prove biblically. The Holy Spirit will be gone.

FALSE

Christianity did not start in Rome. It started in Jerusalem. Rome was and is a seat of paganism. The protesting daughters of the Wh\*re will go back to their mother. They accept all of the pagan traits/doctrines of their mother. The true Church of God, the Body of Christ, is diametrically the opposite of what Rome is. Christ Jesus will come back and destroy it. Hi all

This article is an eye opener. Thanks Doc.

@Kuhrt: Interesting that you feel there might be a need to leave the USA. I personally believe it will not only be in the USA where Christians have to flee and find refuge elsewhere but will be the world over.

I am in South Africa and the Lord has been speaking to me and giving me a vision to create/build a City of Refuge for all Christians to find a safe heaven when persecutions start. So the place that believers in the Lord will find safety in is in Africa.

I know what I need to do and how to do it however I have 2 challenges:

- Land; this will require a huge piece of land in order to build a self-sustainable city
- Resources; this will require lots of resources (financial, material, human and otherwise) to bring it to pass

But I have faith the Lord will connect me with the right people to help me make this vision a reality.

I do not agree with many of their doctrines and precepts but there are also, serious errors in of some Evangelicals. Every denomination seems to be sliding down to some sort of united world church. At the same time, there is always a remnant that are not deceived. Jesus told us to be wise in the end times but that as the time draws near, keep a look out on the sky.

How can you worship a God that does not punish sins? How can you worship a God that does not forgive sin? Jesus is not allowed by the Father to suffer and killed on the cross for His pleasure. That's the ultimate expression of love of God to man because man cannot atone his self, man alone cannot find the way to be forgiven especially not by sadaka or zakat. Nothing that man can do to appease God's wrath and escape punishment. So if the question why sacrifice His son for the sins of those who will believe in JESUS CHRIST? I think the better question is why does God have to do that for rebellious sinners like us and provide a chance for forgiveness through the sacrifice of Jesus Christ?

Just wanted to clarify Matthew, the Holy Ghost overshadowed Mary and she was pregnant with Jesus the bible says. The Holy Ghost is technically the “father” so Jesus is called the “son”. The bible also says that God robed HIMSELF in flesh and preached among the gentiles. There was none worthy so God robed himself in flesh and became a man and sacrificed himself because it took sinless blood. First commandment. There is only 1 God! Jesus is God!

I am so sorry to disappoint you, but the wrtier of this article is not a Jew!

The big difference between Jerusalem and many other cities that host multiple religious buildings is that in Jerusalem and other cities each building is built

and run by the individual religion that set it up, they are all governed separately and there is not one controlling government over all of them.

In the case of this One World Religion Headquarter, it is three separate religions, but is being built and governed by only one governmental body. They are trying to say that all three can be the same, that is not the case in Jerusalem and other similar cities around the world where each are free to run and operate separately as they wish.

Hope this helps.

Christ's incarnation, Him being born into the world by Mary was an act of God done to make it easier in so many ways for the world to accept Him because He was born in the "natural way" like all of us. Now, Christ is not flesh and bones like us but he had to be for Him to be believable to our carnal self. He had to die and then rise again 3 days later to signify that we as well can choose to die from our

old self and be reborn as new people who are now living for christ.. He gave us the CHOICE to choose. Now, that's the major difference between Christianity and the other religions: It is your choice to be a Christian, to accept Jesus Christ as your personal Lord and Saviour & repent from your sins then start living for Him. No one is forced like it is with your Muslim faith, there are no laws that say if you don't become a Christian you not allowed to enter this country, you may be subject to jail sentences, fines etc because Christianity is about the GRACE of God that He made available to us all through the death of His son, that now all of us can CHOOSE to accept Him. Christianity is a choice, if you want Christ in your life His arms are wide open to recieve you but if you don't want Him, he's not going to force you either but know one thing; there is coming a time where there will be no more grace and every knee shall bow and every tongue will confess that Christ is Lord. And that time may be sooner than we all think

God did not 'need' His Son sacrificed to Him; He did so, so that all Sinners could have an opportunity to have their sins cleared, & their Souls reconciled (to God). God's Son, was God, in the flesh.

Jesus said, 'I and My Father are One.'

Jesus never refused worship. He was either God incarnate or a blasphemer.

On the subject of translations; which is more miraculous: to preserve your word in one language over centuries, or oversee its translation into various languages.

Perfectly?

The latter.

The God of the Bible is not ‘challenged’ by translations & incapable of preserving His word through the process of. He has done it, Perfectly. Many times. Now that’s impressive!

The word became flesh...be reborn and know life! All who call on the Name of the Lord shall be saved. People who practice religions such as Islam & Christianity will forever be lost. We must worship YAHUAH in Spirit and in Truth! Both these religions are divided. They CANNOT AGREE but they gone bring them together . By these comments it shows how people are confused and divided. Muhammad ain't coming back to save Islam and Cesare Borgia (Jesus) is not coming back to save Christianity. They both still dead & these religions will die too because the REAL POWER is working to destroy these lies!! I advise emptying from your heart everything you have been taught by man. Search the scriptures diligently and don't stick to the 66 books rearranged given to you by Man open your mind & spirit to revelations from

the spirit of the Most High who created us. Let Him guide you into HIS Truth & who the REAL MESSIAH is and who HE coming to Gather and save!

I just can't wait for Jesus to come back again!! I'm so excited, I can hardly contain it. Jesus was woven all throughout the Old Testament of the Torah, It really is amazing. The most amazing part is how his Spirit lives inside of those who know him and have made themselves a slave to the truth. JUST as Christ said he'd send the Spirit, He did not lie! It's such a miracle.

This is simply not true that christian church's are not allowed to have crosses or any Christian identifying Symbols on the outside of their buildings. In Abu Dhabi St Joseph cathedral has a large poster of Jesus on the outside by the front doors, the St. Michaels Catholic Church in Sharjah, United Arab Emirates has at least 3 crosses and crucifixes on the outside on the steeples of the church. This is a very poorly poorly written article by an ignorant author!!!

Matthew, sorry you gave up your treasure.

“God so loved the world that He gave His one and only Son that whoever believes in Him shall not perish but have eternal life.” (John 3:16) The LORD God Jehovah is a holy God and He cannot look upon sin. Atonement is needed because of the depravity of man (Romans 1-3). “God demonstrated His own love for us in this: while we are still sinners, Christ died for us.” (Romans 5:8). Jesus lived, died and resurrected to make atonement for us. That is to make pardon on our behalf (paid the cost of our sin) and reconcile us to God. Perhaps someone who has to give up their child will understand somewhat the pain God suffered for our sake.

As for the question of gay being excepted. The Word and Spirit of God has always been to love the sinner (who is made in the image of God) but not the sin. The Word of God is eternal and never changes. If there's any changes, it is because man did not understand the spirit of the Word; and because man wants to suit their sinful desires. Unless one has a relationship with God Jehovah, one is only religious. There is a big difference between religion and having a relationship with God, Jehovah. The foolishness of God Jehovah is wiser than human wisdom. (1 Corinthians 1:25).

Btw, without the Cross (signifying Jesus' death and resurrection), Christianity has no meaning. So this project is deceptive, giving a false sense of unity and agreement to the world. What has Light to do with darkness?

I'm gonna tell you all about Jesus and what He done for me I was 25 years old and I was on drugs bad and hearing voices coming from all around me and me and my dad was sitting in the shop and I looked over towards my dad and in the back of the shop behind the cutting torch bottles this black spirit looked out from behind them it looked as a human shaped body but it's head was a upside down triangle shape with orange eyes and it's face showed pure torment and evil. It's like it had clear skin with blackness swirling inside of it. I tell you the truth, I said nothing to my dad about what I seen and tear she'd outta His eye and he said son you gotta rebuke him in the name of Jesus and I didn't know Jesus was real at the time I had no faith and I was guilty of my sins of living like I was. But I did it anyways. I said satan I rebuke you in the name of Jesus and at the name of Jesus that devil left so fast that where it was standing in the back of the shop it sounded like a crack of lightning and thunder hit there and I was immediately brought up outta my chair where i was sitting and I hit my knees and I cried like I had never cried before then this fire came into my stomach and heart and it swirled inside if me. I say this with love and truth that you all will see the truth about Jesus is the Son of the Living God Yahweh He is the way the Truth and The Life noone comes to the father except through Jesus. And when Jesus came and saved my soul from that devil I had to bow I didn't see Jesus but I felt Him and the light was so bright inside, my eyes were closed from crying and I was on my knees. I haven't seen Jesus but He is real and He's the one with the authority. The Holy Bible says every

knee shall bow and every tongue shall confess that Jesus is Lord. And He made me bow at His presence. But it wasn't mean or harsh Jesus touched me with love and made me bow before Him it was love that saved me grave. The Holy bible is the truth and Jesus is the way. Love yall God bless

Yes, Jesus is Lord of lords and King of king's.. The Word manifested in the flesh. That whoever believe's in Him shall not perish but have everlasting Life. At the End of Revelations, It's written that anyone who adds or substrates any of the words shall be blotted out of The Lambs Book of Life, Mohammed came 600 years after Christ , and added the Quran suggesting he was only a prophet. Psalms 22 from the 1st verse to the last verse was the prophetically spoken by the prophet David through the Holy Spirit spoke everything that even the secular world and history has recorded. Jesus Christ is am All Sufficient Savior where Mohammed never said he was a Savior. Read Psalms 22 from the Beginning to End and tell me that every verse was to come to pass . That is impossible to be that Accurate when secular writings confirm these things occurred. All over the Old and New testament it is known that these things will happen pertaining to a one world Religion and Government. Muslims think it will be by force and reign 1000 years in the natural but Christ the Anointed One will Come with Michael the Archangel and will refine the earth with fire and Rule in the Spirit all that believe upon him shall be delivered from the sin nature / flesh and take upon themselves the very nature and Character of God Himself. The fruit of the Spirit spoke in Galations 5;22. Same as the Tree of Life on the beginning. and be freed of the curse of eating from the KNOWLEDGE of good and evil.

Jesus Christ Paid for our sin by going to hell for 3 days and nights WITHOUT the Holy Spirit and By Faith had to remember that God would not abandon him to the Grave. He by Faith , like you and me and every Christian has to do but we have the Holy Spirit .

What Faith He showed and the anguish that brought us peace was laid upon him.

That is why He is worthy to be Worshiped. Amen.

My own eyes have literally seen the Glory of God. Shawn Etherton.

Is Saved because I have entered through the covenant of Abraham, Abraham believed God and was credited as Righteousness or (Right Standing) with God because of the Blood of the Lamb. God prepared Himself a sacrifice as he did father Abraham.

I'm thoroughly saved and will take upon myself the very nature and the Very character of God and be a witness to angels that God's ways precepts and principles are correct. My profession is God's is Love and Love over never Fails in Jesus name AMEN & Amen.

Dear Readers Do not forget. Most of Christianity exposes there is one God. When Jesus died he was closer than a son it was as God manifested in the flesh , yes the son, but also the living word through which everything was created.. Jesus was God himself. Part of the three in one. So to rail against God simply sending his son was sacrificed...it was a closer unified connection than we can grasp. And all of his creation. We can honor any of God's creation. In the end of this era, every knee will bow to the Living God. Not because they have to, but because the scales of the lies will fall off and we all will know what Love God has for us. How beautiful is

His creation. That is why death has lost its sting. We are called to love( preach the good news be patient, kind, building up and encouraging to one another, wanting the best for everyone. Selah

This is what I have to say, after studying each of the primary faith in depth, and reading the Books of each faith, but I am Christian, so will reveal that, but feel comfortable going yo a synagogue, Mosque, and Temple, Hello my brothers snd sisters, born from the same couple in the Garden if Eden. You are truly my brothers and sisters from the beginning...“People of the Book” ... why would I raise my hand against my brother or sister in violence? Only in love will I raise my hand to my family, to stroke a face, and provide a hug. As long as my family does

not come against me in violence, I will not instigate it. I respect Mohamed (Peace be his name) as a prophet, and I know Muslims believe Jesus was a prophet, so why make Christianity a cause to kill? Certainly we know when Jesus was on this earth he was a man, like any other man. What does Islam think about Mary? She is revered. Why is that? The two faiths are brothers, as is Judaism with the two; God, Allah, Jehovah, We are like fingers on a hand. Christianity believes God and Jesus were separated when Jesus was born a man, and that connection as it was can never be changed. That gives Jesus intimate knowledge forever of knowing what separation from God is like, as he said. "My God, my God, why have you forsaken me?" He knew what man feels every day being in a sinful state. Jesus was a Jew, before Islam came about, what were the people? Adam and Eve were Jews. Why can't we just admit that each faith believes in God, and all description of God are very similar. Both should be studied by each group to learn what each other believes, to increase tolerance, make each a better person, with a greater faith and connection to the divinity. Likewise, the Eastern faiths of Hindu and Buddhism...believe in God in some way, a higher power is believed by every religion except agnostic, unless I misunderstand them. Each has things we would do well to know. Why do we have so many faiths? Maybe we are to study each one and learn from each other. Maybe God is not so small to allow only one way of worship. I think God is big enough to allow all roads that go to the same destination. Still, the point of prophesy, I believe, is to learn from one another. In Babylon man believed he was omnipotent, and able to reach Heaven when they spoke one language. As a result, God mixed up the languages and each could not understand the other. That stopped the building of the tower. Maybe the same thing has been done with faiths until the end times. I am not sure, so my mind is open to the possibility. How can we "really" know because we are not God. Only God knows the real truth. We don't know how much God has allowed us to know.

It's only when people disregard doctrine as important can they promote unity and tolerance between religions that are fundamentally different. Christians look at Jesus of Nazareth as the Word that became flesh, the Son of the Father God. Orthodox Jews reject that doctrine. Muslims deny that God had a Son and that Jesus was crucified on a cross which are fundamental to the faith of true Christian Bible believers. How can the Pope promote such a project as the Abrahamic House? Only if he himself rejects biblical doctrine.

Is so damn funny when you argue about things that don't even exist sometimes. Lets be realistic, have any of you truly seen the work of God or you all have either read or told is the work of God? Most of the time I wonder where your brains are... Let's speak facts, spirits exists and the most place too sense them in reality is Africa. The rest your all just following a written or told story which you have less than 5% is even real. The only real thing that exist is God, but not in the way you all describe God or pray to God. God is a Women, don't get confused I'll explain in simply form. God is both a man and a lady. Both created a human, and till date still creating humans. Wo+man; the most power in the world is between the two beings. And both must not be cheaters. Must have sex quite often in order to have info about 5days before time. Remember, porn teacher's us to indulge in unclean sex causing our spirits to be divorced by our partners. It is possible to stay with your partner even when your spiritual marriage is over. Did you real believe a piece of steel on your finger was marriage? That cutting of cake and a fake pastor whom just raped a child, and you believe your blessed?. No, sex is marriage. Remember, women have spiritual husband, and how is that possible?.

For your sakes, hell and heaven don't exist at all. Did you know heaven is when your sleeping and having sweet dream which ends in good moments only. And hell is when your having a nightmare where your being chased. Did you know those are real and fact I can do it myself. I can wake up spiritually and go chased another person. I can come in your own house while your sleeping and find your spirit by your side waiting for your body to rest. That moment when someone is in your house trying to steal and you just wake up, who do you think woke you? Why do you let people whom who have not even an experience about the world to determine either your worth heaven or hell? Can't you for a moment just see

things according to rather than according to someone. The God you all speak of has ruined if not your life but our lives. Yesterday people died in Africa and other in places I've never been. Where was God or Lucifer or Allah? Cause your spirit was there, you even felt the pain going across your heart. The one world whatever is just another level of slavery than a change. They just don't want to admit that the value of paper money or money as a whole has come to were is not worthy anymore. I hate to say but is true you don't understand this world. There more they print money the more problems the world has and you blame god.

I repeat god is a man and a lady added together to form a womb man. A woman. That's at first there was Adam and Eve. But in reality, those are not even their true names. But you will soon know the truth, Just wait for the Africa spirits to get angry & you'll see. Pity you white people will face most of the pain for not understand this things at all. Is not something you can learn or pray for. Is just something that comes in your naturally. And I saw a white man jump in a damn where mermaids live and he came out alive, then I knew his spirit has no eyes for those with eyes see things. Is like jumping in a room of a naked person, the reaction of that naked person will shock you, but when a fly jump in that very same room the naked person does nothing. I give you 8 years from today to experience the truth about Africa. All the white man has ever done to Africa will surely be reversed. This has nothing to do with black people living in America for they are far from their soil which is their spiritual connection ground.

Fear not, the bible is a fiction of the true African story. And is very twisted. Just search for the truth in side you.

If you cut down a tree you are in danger of it falling on you, But wisdom will make any job easier. It is very hard to cut with a dull knife. But if you sharpen the knife, the job is easier someone might know how to control snakes. But if the skill is useless if a snake bites when that person is not around. Houses of one, or the own world religion centers that you speak of here have no entrances ( and no tolerance) for Christianity. The “church” they speak of is for the antichrist, not for Christians. I know the Pope is involved in this, but the pope isn’t Christian, either. He is both a mason (which at the higher levels is a cover for the ancient mystery religions) and a luciferian. None of the tolerance that is called-for includes tolerance for Christians or for Christianity, and the peace that is spoken of only happens when Christians are out of the picture, and all the remaining religions gather to worship the one world ruler, who is.. spoiler alert.. not a Christian. Having this center in the UAE underscores that the capstone of the Luciferian brotherhood is in the middle east. Not having a cross on the building is perfectly ok, given their real motives.

Jesus Christ of Nazareth is the only True Messiah, that brings us back to God. Literally thought the Cross of Calvary, we have forgiveness of sin. The same way they did lamb sacrifice for the forgiveness of sin. The lamb had to be pure, without any blemishes. What more is Jesus? He is without sin. He is perfect. He never gave into temptation. His teaching where still on the 10 commandments, and never changed. It might’ve looked like there were things added... but think about it like this, you just put it in other words so that people can understand you better. The same way with Jesus, He said things in parables because our hearts are not ready to intake what it’s trying to say. (If it doesn’t make sense, then let’s God show you what this means). Jesus wants us to open our hearts to receive the blessing and promises God provides. Jesus wasn’t just a prophet. He is the Son of God! Literally the one that is our ticket to Heaven. Put your trust in Jesus and turn

from your sin! Have a relationship with Him and not just religion. Religion is so different than relationship. The first will be last and the last will be first. You don't have tomorrow to turn to Jesus, you have today. Tomorrow is never promised and tomorrow only worries about itself. What are you worried about? Money? Family? Friends? Yourself?? Jesus said to depend on Him because He knows what you need. He will provide in your troubles, in your goods, in everything from the tops of your head to the soles of your feet. Your soul is what matters at the end of the day. Turn to Jesus because He said He's the Only way, the Only Truth, and the Only Life. No one's comes to God accept for Jesus. God bless

When I first heard about this, I thought: all the revelations I've been having about the end times are happening at the right time. And God ha told me that the Time is 9:11. Seek Revelation 9:11: this is where we are. I have seen Muhammad as a frog spirit, and Kim Jung Un as being involved in the production of the mark of the beast and also as a frog spirit. I have seen China's Jinping as an antichristian source who is already involved in the rising of the kingdom of the beast and the antichrist. I have also seen that China loses a big war because they did not worship the God of Israel. I have seen that an antichristian entity rises from the

Catholic Church, through a figure called Michelin or Michelini, who is either a cardinal or a priest; he wears a red robe with the cross on his chest, and he is a priest of war; who has connections to the Ukrainian war and seeks power in this place that will affect the western world—mainly, Canada and the US. God has told me that this is a time for repentance, and has led me to understand that we are to seek now to make our final holocaust, especially political entities such as Trump, Trudeau, Biden, Obama. He is calling homosexuality the King of Syria. He is telling me that there is a plague of the mind running through the world and that only if we let idolatry go will he end it. This plague is an apocalyptic event already written in the Book of Revelations. Putin's war is an abomination to God. Jews are being called into belief, all over the world. We are being united in a revival, as one church—not one religion with many similarities about God. One can only inherit the Kingdom if one believes in Yeshua as the only Messiah. Pope Francis, who appeared to be a lamb, continues to show his face as an antichristian source, with these ideas going forward: homosexual unions are okay—one world religion is okay! Some said he's just radical like Yeshua, but Yeshua wasn't radical, and this man borders blasphemy in his big business. These are the things God himself said were wrong! And then the idolatry in the church is astounding. If a pope seeks to make peace in the Abrahamic religions, he must seek the help of Yeshua as the High Priest, and the High Priest would not try to make friends with Muhammad and a godless Jewish community but put the sword to them and bring up a Bride that believes in Him alone. Because God shares the crown with no one. This union is a gateway to the figure of the antichrist, and he will possibly worship alongside them. God has revealed to me that the spirit of the antichrist is already walking the streets, waiting for a time. This is a time of God's choosing. God has also shown me that there is a power of the dragon already in the world, and I have heard Jezebel tell me that she is getting drunk on the blood of the saints. I have been in tribulations where, if I don't believe in the Catholic church, I am offered the mark of the beast. They are trying to act as though they have the power of God but don't. Moreover, there is a plague of the mind undergoing in the world which the Vatican has never addressed but that I can see. How is that possible? This is a plague that others and I have already noticed and have had revelation about. What revelations does the Catholic Church rely on and teach, for the current times? Are they preparing the Bride for the last day? If an antichrist rises out of

their church, how can they be? Ultimately, it will be as a Canadian prophet dreamed: that it will be the faith of the people what saves them and not the priests or the entity of the church itself. We must be wary of this time and oppose this union now!

“A lie engineered by the devil cannot be defeated by hazy and vague ideas. In a matter concerning the salvation of man’s soul, there is no substitute for adequate knowledge. We must go deep into the Qur'an, Hadith (Islamic traditions), history and linguistics, and back to the Bible. The most effective way to convince Muslims of the history of Islam is to quote Muslim historians, especially as contained in the Hadith. These traditions are many and voluminous and a study of them can be tortuous. But to be effective, we must consult these works.”

Why is many people are so blind, Muhammad always told people in the Quran if you do not believe ask those that read the Bible, than you called the Bible fake? You called Islam a peaceful religion why your Quran say do not make the jew and Christian your friends you are also told to kill them if they refuse to perform the prayer. “This can be corroborated in the Quran where Allah tells Muhammad to: Say: I am no bringer of new-fangled doctrine among the apostles, nor do I know what will be done with me or with you. I follow but that which is revealed to me by inspiration. I am but a Warner open and clear (Sura 46: 9). Again Muhammad says in the Hadith, By Allah (I swear), though I am the Apostle of Allah, yet I do not know what Allah will do to me.” “Who Wrote the Qur'an? The Qur'an's authorship has been treated in detail in a separate book by this author. 8 But the issue needs a push here. Most Muslims believe the Qur'an came down from heaven and was given to Muhammad as a book or sheets in stages. The Qur'an claims in many verses that it came down from Allah through the angel Gabriel (cf. Sura 3: 3; 4: 105) 9. If we try to determine the Qur'an's authorship from its claims, however, we may not succeed. For example, Suras 26: 192-194 and 16: 102 say Muhammad received the Qur'an from “the Holy Spirit.” But Suras 53: 2-18 and 81: 19-24 say

“one Mighty in Power” 10 personally delivered the already written book to Muhammad, and Muhammad saw him. Elsewhere we read that Angel Gabriel brought the Qur'an down from heaven and handed it to Muhammad or brought it to his heart (cf. Sura 2: 97). In Sura 15: 8, we are told that it was “angels,” not Allah, Gabriel or the “Holy Spirit.” If a Muslim reader is confused, he has reasons to be. So let us agree on one point. Some enlightened Muslims believe it would be more reasonable to regard the book as the written form of the verbal message given to Muhammad, and so a revelation. Reading the comments of most Islamic scholars who translated the Qur'an, one easily sees that, apart from their stereotypical romanticism, they, too, are not sure of the authorship of the book. A careful student who reads it in Arabic or in translations will see that, apart from direct quotes from reported events, some parts of the narratives are in the first person plural, some are in the third person and some in the first person singular. There are places where Allah is being addressed by the writer. The writer seems to forget he should maintain the narrative as coming from Allah and suddenly changes it. For example, when the speaker-writer says: “I swear by Allah that they will not believe...” one wonders who is speaking, Allah or a writer? How can Allah “swear by Allah”? Or how could these statements have existed in heaven in a book before Creation?”“And you will know the truth, and the truth will set you free,” John 8: 32. Jesus said, “I am the way and the truth and the life”. So how do you get to Salvation? What will happen after we die? Is Jesus right, describing us after death as “people will neither marry nor be given in marriage; they will be like the angels in heaven” (Matthew 22: 30) ? Or will it be the Islamic way, we will go to the gardens of pleasure where men will drink wine and have sex with white virgins (see chapter 4: 2 of this book) in Allah’s heaven (Quran 55: 72–74, 56: 22 and 55: 56) while little white beautiful boys will serve them? (Quran 76: 19 and Quran 52: 24). Those worldviews cannot both be true! Those are radically different views; there can only be one way to Salvation. Jesus said, “I am the way and the truth and the life. No one comes to the Father except through me.” (John 14: 6) One thing worth addressing in Islam is that Muhammad’s parents are burning in the fire of hell. (Sahih Muslim 203 and 976): ”Verily, a person said: Messenger of Allah, where is my father? He said: (He) is in the Fire. When he turned away, he (the Holy Prophet) called him and said: Verily my father and your father are in the Fire.). In the other story, Abu Huraira reported Allah’s Messenger, as saying: “I asked my Lord for

permission to pray for forgiveness for my mother, but He did not give me permission." Should one put his salvation in the hands of a man whose own parents are burning in hell? I believe that we each have a soul, or better said, we each are a Soul and have a physical body for this life. We are all searching for God, at one point in our lives, at least. You are a man of faith, and so am I, but our two beliefs contradict each other, so they cannot both be true. I think that, as a friend, I have an obligation to let you know that I am now sure Islam is false and that, unfortunately, you and many others have been tricked into praying to a pagan god that does not exist, and you are putting your Salvation at risk."

3 religious buildings next to each other is not a "one world religion". I don't know why you are promoting this lie.

You are misrepresenting the project deliberately as if that will make Jesus return faster or something.

Not one of you have the option given the real explanation to WHY Yahusha, the Son of Yahuah, Creator of Heaven and Earth had to die. Did he want to die? No. Luke 22:42. Now go to Genesis 15:1-18. Ask yourself who is the Smoking oven? Who is the Burning torch? Each represent someone. Master Yahuah could not and will not make a covenant with a sinful man, Abram. Therefore He made covenant with The Set Apart Spirit of The Truth. The Set Apart Spirit of The Truth known as the Ruach HaKodesh stood In stead of Abram. Thus the covenant was made. The covenant had its confirming meal on Mt Sinai eaten by 75 leaders of Israel in the

presence of Yahuah. It was the final act of ratification. The covenant is based on if you obey My commands and guard my covenant THEN you shall Be my treasured possessions. Exodus 24. 19-24:8. Is the covenant. All the people heard Master Yahuah speak and they ALL agreed. Skipping to Exodus 32. Israel felt Moshe was taking too long on the mountain, they didn't know what had become of him, so They all got together and demanded Aharon to make them a mighty one in whom they can worship..the golden calf.. because of this Israel BROKE covenant with Yahuah, the Creator of Heaven and Earth. When a covenant is broken someone has to pay that price and that price is death. So ask yourselves who stood in stead of Abram? All through scripture it tells us about the Messiah Yahusha... "The Seed". Skipping forward to Matt 1:18 The Ruach HaKodesh over shadowed Miriam and she conceived. Now go back to Genesis 15. Who stood in Abrams Place...The Ruach HaKodesh. Yahusha did not want to die but had to die because We, not just Israel had sinned against Master Yahuah. We are all sinners. Thus. We all played apart in killing him.

As for other gods. No such thing. They are a product of what man has produced in his own mind. The problem is the Satan has glorified himself in the lie. Anything to draw people away from the truth. Isaiah 43:10...Before Me there was no El (god) formed, nor after Me there is none. In other words there was NO god before ME and I produced NO god after me. As for the Quran, That did not exist till 5/6 century AD. You will also notice if you read it that history has been taken from The Set Apart Scriptures (O.T.) and taken from the New testament then changed. As for mahammad. He was a Jew who thought he had a new revelation from The Creator of Heaven and Earth. But this was a lie. Because there is NO NEW REVELATION. Yahusha, The Son of Yah, is the revelation and the last revelation to come. After all He is The Word That became Flesh, (a Living Soul) The Word spoken by Master Yahuah is The Pure Scripture. The Messiah Yahusha, never once spoke unless he heard His Father speak it first and He never did one thing unless He saw His Father do it first. The Word that we have is written Down and put into book form. That Book from Genesis 1 to the last dot, title in Revelations is the Book. It is The only Truth we have in this world. Because everything else has been defiled by a people who have been defiled. The Word of Yahuah is what keeps us grounded. The First five books are our foundation without that and it believing what it says that it still exists for today, with exception of the physical sacrifices as

that changed with the changing of the High Priest., Yahusha, you will never meet Yahusha's Father. Everything Messiah spoke came from the First five books (Torah) the Prophets and the writings. He never spoke anything New. Why? Because He is that Word.

I was once lost & now I have been found. All I can say is “Thank you Lord Jesus for revealing your true self to me. You are the way, the truth & the life. No one comes to the Father except by You. You died & rose again. You shed your blood & was the perfect sacrifice. Thank you for doing that for me & for your never ending love” Amen.

The God of the bible and the Quran and the Torah is El Shaddai – Saturn the Father. That's why Muslims circle around the Black Cube of Shaddai/Saturn in Mecca. That is also why Jews circumcise their babies at 8 days old. Its a covenant with El Shaddai. Read the Book of Genesis. Its in there. You've all been duped into worshipping Saturn.

We're missing the point. It does no good & is quite disrespectful to argue over religion as it is a personal decision. Most religions are about love first. People need to work out their own salvation without force, fear or bullying. In the end, all will be known when we stand alone before God. I am not threatened to learn from other religions as I'm confident & solid in my own faith. The greatest issue I have with this that Catholics and Christians are not the same. Catholics & Christians hold very different beliefs, Bible & are different Bibles. They are different on so many levels. So, to say the Center is for Christians is not accurate. As a Christian, I think most Christians would rather worship in a Synagogue than a Catholic Church. I think it is vital we not combine two very different faiths as one because it would not work for either faith since it's like comparing apples to oranges. That is not meant to be offensive to either, it is just pointing out the 2 different religions. Much love, God bless everyone.

Please correct me If I am wrong, but while Islam says they believe in the freedom of religion, but not for those who are born into Islam and that is why Muslims are not allowed freedom of religion and are considered apostates, punishable by death. For example, the 16 year old boy in Pakistan who is getting executed for converting to a different religion. It is my understanding that being born into a family of Islamic decent means you are forced into that religion. I have one

question regarding that principle of Islam. Doesn't Allah want true worship? What type of true worship is that if you are forced to do it? I do not know another religion that forces people to be a certain religion without being persecuted. Can any Muslim please educate me on these beliefs? I thank you in advance for your knowledge.

Isn't it a bit odd that they'd locate their headquarters in a completely inaccessible place for 99.99% of society? It's also odd they'd nickname this place "chislam." Perhaps these supposed Christians aren't aware that the ancient Hebrew meaning of 'Allah' is "yoked to weariness." More importantly, this is an exact repeat of how ancient Rome consolidated and worshiped other pagan religions. It's also what Nicolas (specifically, the Nicolaitans – Rev 2:15) taught... compromise and acceptance of other beliefs. And it's what Yeshua was talking about when He addressed the people in churches like those of Pergamum (Rev 2:14-15) and Laodicea (Rev 3:16) Watch out people! If your church signed into the "unity of religions agreement" (later called the "declaration for religious unity for peace and justice") you need to heed Rev 18:4 now. You truly shouldn't want to hear Yeshua say to YOU: "I have this against you!" I can promise you that no good will come from Him saying that to you.

God must be smiling at His creation called man. They all know there is only one Creator, yet they give him different names, different faces, and different ways to reconcile the I Am. For some it's easier to believe there is no God.

Man's individual dogmas have separated them from each other in their search for him.

If God wrote a l

God would say, I gave you all free will. You are spiritual beings, here on earth only to experience life as humans. I have come in human form many times throughout history. Some knew Me as Krishna, others as Buddha, some as Jesus, many as Muhammad, and by countless other names as the one true God.

When I came as Krishna, what did I teach you?

Be a good person with qualities of love and kindness, and perform good deeds. Show your love and devotion to Lord Krishna, and you will lose your attachment to the world and fall in love with Me. Then you will be with Me forever.

What did I teach you when I came as Buddha?

Did I not teach the law of Karma—the mechanism by which you create a world of suffering for yourselves and others? And the opposite: the way to live that reduces suffering for all and leads to liberation?

And when I came as Muhammad?

Did I not testify to the truth of all previous revelations, laying a strong foundation for harmony among the various religions of the world?

And when I came as Jesus?

Did I not make redemption possible for every person, in every nation, in every generation? Redemption from what? From your lack of understanding of who I am in your human form.

Then there was Moses.

Did I not give you the Ten Commandments of life and say: “Thou shalt love the Lord thy God with all thy heart, with all thy soul, and with all thy mind”?

And I came in so many incarnations to help you through this world.

It was Me—the “I Am”—in so many forms, with so many names, throughout your timelines who came to you. I am the Creator of both good and evil, the tree of life, the tree of knowledge, and the giver of free will.

And what did you do with all My visitations and your free will?

You created dogma to fit your understanding of who I am. You even went as far as killing each other to prove your way was the right way.

One day, your spirit will stand before Me at the throne of judgment, and I will ask:

“What did you do in My name, My son, My daughter?”

If you want a one world relationship with God you must leave what you have in your limited wisdom behind and have a personal relationship with The I Am. The temple of worship is not a building or structure. The temple is on either sides of your head, use it.

Love,

God
