**AMENDED APPLICATION FOR EXTENSION OF TIME TO FILE PETITION  
FOR WRIT OF CERTIORARI AND PETITION FOR WRIT OF HABEAS  
CORPUS, TO THE UNITED STATES COURT OF APPEALS FOR  
THE DISTRICT OF COLUMBIA CIRCUIT**

To the Honorable Justice Roberts of the United States Supreme Court of the United States:

Sharon Bridgewater Petitioner in the above-entitled action, moves that the time within which she may file a petition in this Court for writ of certiorari to review the judgment of the United States Court of Appeals D.C. Circuit, entered on Nov. 17<sup>th</sup>, 2017 and/or Jan. 31<sup>st</sup>, 2018, in the case of Sharon Bridgewater Petitioner vs. Donald Trump in his official capacity as United States President et al, be

Att R

extended from March 31<sup>st</sup>, 2018 to and including April 30, 2018; and in support shows:

1. The grounds on which jurisdiction of this Court is invoked are:  
28 U.S.C. § 1651, which authorizes this United States Supreme Court to "issue all writs necessary or appropriate in aid of its respective jurisdiction and agreeable to the usages and principles of the law of this court. One or more" 28 U.S.C. § 1253, 28 U.S.C. § 1254 and/or 28 U.S.C. § 1257 and/or 2254(Habeas Corpus) etc. The Petitioner discuss briefly the validity the constitutional amendments or statues involved that it may have on the case as follows: 1)one or more Detention of persons including but not limited to myself; 2) Detention of presons and/or operations at the U.S. Naval Station Guantanamo Bay whether they are legal, safe, humane and conducted consistent with United States and international law; 3) Traffic tickets issued without due process of law; 4) and a host of other issues. There are important questions which were determined adversely by thecourt below.

2. A copy of the notice of appeal(s) and/or petition for review is appended and marked "Exh. A, Exh. B, ~~not~~ Exh. C ~~not~~ Exhd.

3. The reason why an extention of time is justified are:

a. There are two or more petitions for review and/or notice of appeals pending in one or more US District Court and/or US Court of Appeals and the Petitioner must carefully review the statues and laws to prepare the writ of certiorari.

- b. The Petitioner must include items submitted to this court that was recently return to the Petitioners old address;(see exh. ); the Petitioner just relocated to another city and the Petitioner have no funds to ship this mail to the new address.(Due to the Petitioner increased amount of bills, limited resources, poverty etc. "recently cut SSI check(see exh. ). it probably will take until at least April the 1<sup>st</sup> or later to obtain this package from Detroit.
- c. This application is being filed 10 days prior to the due date, and/or this petition was filed on or about Jan. 9<sup>th</sup>, 2017 and the court sent pleading back to the petitioner to amend.
- d. Wherefore an extention of time is justified.

Wherefore, the Petitioner Sharon Bridgewater respectfully prays that the time within which a petition for a writ of certiorari in the above-entitled action may be filed in this Court be extended to and including April 30th, 2018.
