DESIGNATION OF TWO ADDITIONAL JUDGES

Pursuant to Section 2284(b)(1) of Title 28 United States Code Service, and notice filed with me,  
in the above entitled court, it appearing that the above-entitled action is one in which a District

Court of three Judges must be convened under section 2284(a) of Title 28. I now designate as additional judges to hear and determine the above-entitled action and the application for interlocutory and permanent injunctions the Honorable \_\_\_\_\_, Supreme Court Judge, and the Honorable \_\_\_\_\_, Supreme Court Judge.

This designation and composition of the three-judge court is not a prejudgment, express or implied, as to whether this is properly a case for a three-judge, rather than a one-judge, court.

This is a matter best determined by the three judge court, as this enable a simultaneous appeal to the court of appeals and to this District Court of Columbia, without the delay, awkwardness and administrative insufficiency of a proceeding by way of mandamus from either the court of appeals, directed against the chief judge of the Supreme Court in this District of Columbia. The parties will be afforded the opportunity to brief and argue all questions before the three-judge panel, either preliminary or on the trial of the merits or otherwise, as the court thinks appropriate.

### MEM AND POINTS

The acts of Donald Trump in his official capacity as President et al acts and/or omissions are willful, in violations and disrespect for the Court and the Judge. A court must punish a person who willfully disobey a court order and/or court injunction, issue a rule to show cause and further authorizes the court to issue a bench warrant and/or "attach a body." Even further, upon the showing of probable cause a Judge may punish a Defendant for direct and/or indirect of civil contempt of court and/or may issue a bench warrant and/or body attachment. Wherefore Sharon Bridgewater Plaintiff/Petitioner/Appellant/Claimant, request that this court issue a rule to show cause why Defendant/Respondent/Appellee Donald Trump in his official capacity as President et al should not be held in indirect and/or direct civil contempt of court, and pay for damages the Plaintiff sustained by the Defendants "contempt of court."

I certify and/or Declare and/or state under penalty and perjury and to pursuant to 28 U.S.C. §1746 that the foregoing is true and correct. Executed 17<sup>th</sup> April 2017 in Detroit, Michigan.
