6 **DECLARATION**

7

8 I, the Plaintiffs declare and state:

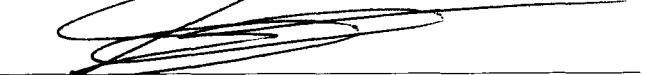

9

10 1. I am low on cash, I had to incorporate the motion with the declaration, please
11 excuse. I have personal knowledge of all facts in this declaration and, if called as a
12 witness, I could and would testify "competently" to them. I traveled from Michigan
13 to Washington DC via the greyhound bus to the district of Columbia on May 13,
14 2013 to file my papers.(Many of my complaints and/or papers filed during the course
15 of two-three years have been intercepted upon information and belief by Holder). I
16 arrived at the US Federal District Court House in the District of Columbia, at
17 approx. 2:48 P.M. I was very tired, and when I arrived, at least three clerks all were
18 working behind the counter and/or sitting a their desk (one male and three females).
19 I was the only person in the office wanting to file papers. I went to the desk with my
20 papers, and asked for service, all either acted like they were busy and/or told me they
21 were busy. I then demanded service. The "head" clerk, actions were not pleasant. I
22 then told her that her about her actions as a US district Court Clerk. She told me she
23 could not file my paper work. I immediately asked for Judge Jackson clerk, and told
24 them I had a ex-parte temporary restraining order. She told me she was not available
25
26
27
28

1 And could not accept my filings. I then asked for her supervisor, and demanded she
2 take my paper work. Her Supervisor then came to me used threat, coercion and
3 force, told me they would not file my paper work until I altered my motions and/or
4 complaint. I also filed the wrong motion to intervene, filed the wrong proof of
5 service, filed everything wrong, I have not served via certified, or regular mail
6 and/or any way made any personal service to Holder "any" papers, materials or
7 filing in this case and/or complaints or anything relating to this case and/or Federal
8 False Claims. The correct filing certificate of service is enclosed and attached and
9 "WITHOUT SERVICE TO HOLDER." Upon information and belief Obama and/or
10 Holder ordered, acted in joint participation with the clerks and others to act as such.
11 They are now among the probable cause. I ask the court not to dismiss the case I
12 will submit the correct filings soon.
13

14
15
16 I declare under penalty and perjury under the laws of the United States of America and/or the
17 "50" States and/or Virginia, Maryland, and/or the District of Columbia, and/or Michigan, that
18 the forgoing is true and correct.
