2013 - FIRST PUBLISHED: HOW OBAMA, HITLER, AND THE THRONE OF SATAN ARE CONNECTED TO "THE MYSTERY OF JESUS FROM GENESIS TO REVELATION"

Obama visited the Great Altar of Zeus—what the Bible calls “the seat” or throne of Satan—while in Berlin, which is especially important, given what he did on returning to the United States.

Approximately two thousand years after Revelation 2:13 was written, German archeologists removed the massive altar of Zeus from the ruins of Pergamos and took it to Berlin, where it was restored as the centerpiece of the Pergamon Museum.

It is here that Hitler first adored it, later building an outdoor replica of it from which he gave a series of speeches that mesmerized many Germans.

After Obama received inspiration from the throne of Satan while in Berlin, what he did next was astonishing. Upon returning to the United States, he immediately commissioned the construction of a Greek-columned stage from which he made his acceptance speech for his party’s nomination. Because Greek temples such as those built to honor Zeus were thought to house the patron deity, the GOP

ridiculed Obama, mocking him as playing Zeus of "Mount Olympus" and accusing his supporters of "kneeling" before the "Temple of Obama."

NOTE: The BIBLICAL RULE of PSALM 90:10 APPLIES TO ALL CONTENT.

In 2013 I explained the significance of Hussein's visit to the Altar of Zeus and what occurs each time he visits the "throne of Satan". I also explained that a key fundamental component to the spiritual grip that the son of perdition will hold over humanity once he ascends to global government will be approved access to economic means of gain, access to healthcare, goods and services.

Nothing has changed and it is full speed ahead for the final confrontation of "good & evil"!

The "man of LAWLESSNESS", the "TOOL" of Apollyon, DID with malice and fore-thought, devise the 'DEMISE' of the U S economy through varied and sordid means and ways, the "least" of which was NOT the diabolically planned convoluted and confusing first phase, law busting changes to the American healthcare system that have resulted in the "INTERNATIONAL" medical-care debauchery to date.

Implementation of Phase II will "clinch the deal" to a (SINGLE PAYER NATIONALIZED 100% GOVERNMENT CONTROLLED) healthcare system that will SOON become the "cornerstone" and "CENTER-PIECE" of the "MARK" "distribution access number" BEARING (HIS NAME), that will be disseminated "GLOBALLY" in the name of its' founder" and new "LEADER" of the U.N., and (W.H.O.) in response to WHAT IS COMING IN SHORT ORDER!

The god "Asclepius" connection to "OBAMA-CARE" & The "Staff of Asclepius" Universal Symbol for Medicine and Medical Practice, "Where Satan Dwells".

Part I -The "Seat of Satan was originally located in the City of Pergamum. Pergamum, was an ancient Greek city in Aeolis, today located 16 miles (26 km) from the Aegean Sea on a promontory on the north side of the river Caicus (modern day Bakırçay). In 1910 the throne of Satan that was located in the City ruins of Pergamum was moved from its original site and re-assembled in Berlin where it remains today.

Scholars identify this throne or "seat" as the "Seat of Satan" and Great Altar of Zeus that existed in Pergamum at that time. In the Greek, the phrase "where Satan's seat is", literally means, "where the throne to Satan is." In other words, Satan feels "at home" there. So important was the worship of Zeus in ancient Pergamum that perpetual sacrifices were offered to him upon the towering and famous 40-foot high altar.

Carefully consider the words of the Bible and what it has to say about the Altar of Zeus in the letter to the church in Pergamum (Pergamon). Jesus referred to the "throne of Satan in the pagan temple in the City of Pergamum as follows:

"And to the angel of the church in Pergamum write; These things saith he which has the sharp sword with two edges; I know your works, and where you dwell, even where Satan's seat is: and you hold fast my

name, and have not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwells.

But I have a few things against you, because you have, they're them that hold the doctrine of Balaam, who taught Balac to cast a stumbling block before the children of Israel, to eat things sacrificed unto idols, and to commit fornication. So, have you also them that hold the doctrine of the Nicolaitans, which thing I hate.

Repent; or else I will come unto thee quickly, and will fight against them with the sword of my mouth. He that has an ear, let him hear what the Spirit saith unto the churches; to him that overcomes will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knows saving he that receives it. Revelation 2:12-17.

Approximately two-thousand years after Revelation 2:12-13 was written; German archeologists removed the massive altar of Zeus from the ruins of Pergamos and took it to Berlin, where it was restored as the centerpiece of the Pergamon Museum. It is here that Adolf Hitler first adored it, later building an outdoor replica of it from which he gave a series of speeches that mesmerized many Germans.

If you were to travel to western Jordan today and make your way to the top of Mt. Nebo, also referred to as Pisgah, you would be able to view the entire Jordan valley. This is historically where Moses looked over to view the Promised Land. Today you will find a structure there created by the 18th century artist Giovanni Fantoni. It is called the 'Serpentine Cross' and it stands as a memorial to two separate events in biblical history. The brazen serpent of Moses, Numbers 21:4 and the crucifixion of Jesus Christ, John 3:14.

In the book of Numbers, God told Moses to place a brazen, (bronze or copper) serpent on a pole and raise it high so that the people could see the image and be healed from the venomous serpent bites ailments.

Unless man understands that the pole was representative of the cross of Jesus Christ and the serpent was the embodiment of Satan completely wrapping and engulfing Christ in His suffering and death, we miss the relevance of this command of God to Moses and its relationship to our Salvation. This symbol was an image portrayal of the future Crucifixion of the Messiah that would bring healing to the nations.

There is no explanation found anywhere in the books of the first Covenant explaining the Brazen Serpent. John 3:14 provides the explanation of the brazen serpent "And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up".

6 So the LORD sent poisonous snakes among them, and many of them were bitten and died. 7 Then the people came to Moses and cried out, "We have sinned by speaking against the LORD and against you. Pray that the LORD will take away the snakes."

So, Moses prayed for the people. 8 Then the LORD told him, "Make a replica of a poisonous snake and attach it to the top of a pole. Those who are bitten will live if they simply look at it!" 9 So Moses made a snake out of bronze and attached it to the top of a pole. Whenever those who were bitten looked at the

bronze snake, they recovered! Numbers 21:4-9.

Obama's 'NOD' to Satan. The inspiration of the throne of Satan has deeply touched the depraved soul of Barrack Hussein Obama so much that he had a replica built during his 2008 presidential election campaign to serve as the image backdrop of his world ambition.

Satan's 'NOD' to Obama: During Barrack Hussein Obama's last visit to Berlin, he gave his Berlin speech in front of Berlin's Victory Column, the exact location that Hitler had planned to enthrone himself in the Welthauptstadt Germania.

When Obama ended his speech in front of the war goddess, he said, "With an eye toward the future, with resolve in our hearts, let us remember this history, and answer our destiny, and 'remake' the world once again. This is exactly what Hitler made his promise to do the same and where he had planned to memorialize it.

Obama then saluted the German audience in a similar fashion as Adolf Hitler did and was followed by thousands returning the salute, violating German law. On returning to the United States, Obama then visited the Great Altar of Zeus in the Pergamon Museum.

WHAT IS THE CONNECTION: The temple of Zeus included a medical and health spa facility known as the Asclepian. This building was the modern-day equivalent to a hospital and wellness center and was accessed through an underground tunnel. The medical facility was filled with non-venomous snakes that would crawl over patients who would arrive and sleep over night. When the patient woke up in the morning he would describe his dreams to the pagan medical priest who would then make clay models of the body parts of the patient that needed healing and then sacrifice these clay body parts to the god Asclepius.

It is no coincidence that Obama's mandatory healthcare program will be integrated into a global program version where world citizen's participation will require undivided allegiance and adulation to the one who rules the system.

Antipas, the first leader (Bishop) of the early Christian church, whom Jesus called His faithful martyr, was very active in the City of Pergamum casting out demons from possessed patients and was eventually turned into the Roman Emperor by disgruntled medical professionals for preaching against the practice of 'Asclepius snake medical procedures'.

The Roman Emperor ordered Antipas to offer a sacrifice to Zeus and then worship him openly calling the Emperor god. Antipas refused and was placed into a hollow brass bull, the symbol and companion of Zeus, and slowly roasted to death on the altar of Zeus.

Similar fate awaits those who refuse to receive the mark of the Beast, refuse to worship the anti-Christ and refuse to participate in his healthcare program. The Bible says that they will be put to death by beheading.

Part II - - WHY DID PRESIDENT BARACK HUSSEIN OBAMA CHOSE THE "SEAT OF SATAN" OF PERGAMUM AND BERLIN TO BE HIS STAGE BACKGROUND IMAGE DURING HIS 2008

## PRESIDENTIAL CAMPAIGN AND WHAT IS THE MEDICAL SYMBOL CONNECTION WITH HIS HEALTHCARE PLAN?

Make no mistake, the god Asclepius kept his staff wrapped in a serpent by his side, the exact symbol used in medicine today. The "Throne of Satan", the 40-foot-high Pergamon Altar of Zeus referred to by Jesus in Revelation chapter 2 vs.12 was the centerpiece of the pagan healthcare program of the Greco-Roman era.

The City of Pergamum where the temple of Zeus was located included the "Asclepiana", a medical, health spa, wellness facility and very first sanitarium. This building was the modern-day equivalent to a hospital medical treatment center and was accessed through an underground tunnel inside the city.

The medical facility was filled with non-venomous snakes that would crawl over patients who would arrive and sleep overnight. When the patient woke up in the morning he would describe his dreams to the pagan medical priest who would then make clay models of the body parts of the patient that needed healing and then sacrifice these clay body parts to the god Asclepius.

In 1910, the temple and altar of Zeus (the seat of Satan), was relocated from the City of Pergamum to the City of Berlin Germany and was completely reassembled there by 1930. This pagan temple was indeed the Seat of Satan and the centerpiece of the City Pergamum. Obama's fascination with the "Seat of Satan" during his first visit to Berlin on July 24, 2008 and his heart felt directive to build a reproduction of the "Seat of Satan, pergamon altar of Zeus as his stage back drop during his 2008 Presidential campaign was NOT an unrelated random act.

Obama's recent June 19th, 2013 visit back to Berlin has facilitated a drink of darkness from the powers of Hell that will insure that his demonically inspired healthcare program will prevail and ultimately become the mechanism in which he will first control the population of the United States of America and shortly thereafter the world.

The anti-Christ spirit of Satan that encompassed the Asclepius healthcare program of pergamon was overseen by the Roman Emperor who was required to be worshiped as god. Today in 2013, the SAME anti-Christ spirit that is living with, guiding and soon likely to reside inside Barrack Hussein Obama will use his version of healthcare as the apparatus that will engulf the earth and control the final world-wide empire.

Individuals of his Empire will be controlled through the Intel collected from years of data mining private information of the personal lives of all individuals. Each person will be linked to their medical records, banking accounts and other personal data via the world wide web. Access to the web will be controlled by the Cyber Division of the United Nations, under the direction of the anti-Christ. An assigned number will allow each person access to their bank account, healthcare, purchasing and commerce. This will give new meaning to "Don't leave home without it". Opting out of the healthcare program will not be an option after 2017.

Jesus referred to this city and the pagan temple and "throne of Satan" in in the City of Pergamum as

follows: 'And to the angel of the church in Pergamum write; These things saith he which has the sharp sword with two edges; I know your works, and where you dwell, even where Satan's seat is: and you hold fast my name, and have not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwells. Revelation 2:12-13

Antipas, the first leader (Bishop) of the early Christian church, whom Jesus called His faithful martyr, was very active in the City of Pergamum casting out demons from possessed patients and was eventually turned into the Roman Emperor by disgruntled medical professionals for preaching against the practice of 'Asclepius snake medical procedures'.

The Roman Emperor ordered Antipas to offer a sacrifice to Zeus and then worship him openly calling the Emperor god. Antipas refused and was placed into a hollow brass bull, the symbol and companion of Zeus, and slowly roasted to death on the altar of Zeus.

Similar fate awaits those who refuse to receive the mark of the Beast, refuse to worship the anti-Christ and refuse to participate in his healthcare program. The Bible says that they will be put to death by beheading. 'I AM GOD' ... Men will someday hear these words from the lying tongue of the anti-Christ and his false prophet.

As Barrack Hussein Obama once again visits Berlin, the City where the 'throne of Satan' is located, make no mistake, this visit is the equivalent of a massive vitamin B shot for him, the effect of this demonic power injection from Hell will 'energize' him. MARK THESE WORDS - After his visit, expect to see substantial increased levels of demonic deceptive power operating in and around him over the remainder of this year and beyond.

Obama's identity disclosure will take place AFTER the Mideast "covenant of nations" (treaty) is signed and the completion of the third temple. The pope will authenticate this declaration with a "miracle" that will be witnessed around the world via Internet, television and various media sources.

The Hebrew term Abaddon (Hebrew: 'Abaddon), and its Greek equivalent Apollyon (Greek: , Apollyon), appears in the Bible as both a place of destruction and as the name of an angel. In the Hebrew Bible, abaddon is used with reference to a bottomless pit, often appearing alongside the place (sheol), meaning the realm of the dead. In the New Testament Book of Revelation, an angel called Abaddon is described as the king of an army of locusts; his name is first transcribed in Greek (Revelation 9:11—"whose name in Hebrew is Abaddon" and then translated ("which in Greek means the Destroyer" , Apollyon). The Latin Vulgate and the Douay Rheims Bible have additional notes (not present in the Greek text), "in Latin Exterminans", exterminans being the Latin word for "destroyer".
