In *her* conduct of the U.S. ATTORNEY GENERAL

FOR THE UNITED STATES OF AMERICA, in violation of his constitutional oath to faithfully execute the office of the Department of Justice of the United States and, to the best of his ability to, preserve, protect, and defend the Constitution of the United States, and to protect U.S.

Borders and in violation of his constitutional duty and/or oath of office he has knowingly,

intentionally failed to due his legal duties in protection the U.S.A. Borders. He willfully

prevented, obstructed, and impeded the administration of justice, in that: *Mark E. ... Pam Bondi*

conspired with Kamala Devi Harris *et al* and both has demonstrated extraordinary incompetence in the execution of her duties and responsibilities, a stark refusal to uphold the existing immigration laws, and a palpable indifference to people of the United States suffering as a result of the ongoing southern border crisis in the United States. *from border ... just like Vice President*

*Anderrick Gonzalez* And is also responsible for *harboring, hiring illegal immigrants*

southern border to evaluate this ongoing national crisis, aside from a single trip hundreds of

miles away from 10 the epicenter of the migrant crisis. 11 Women and girls in the United States

have paid a 12 disproportionate price for the ongoing border crisis, tragically extenuated by the

inaction of border czar Kamala Devi Harris. In August 2023, Rachel Morin, a mother of 5, was

raped and killed by an illegal alien. In September 16 2023, an illegal alien attacked a woman and

her 9-year old daughter in Los Angeles. On May 14, 2024, an illegal 18 alien from Turkey raped

a 15-year-old New York girl after 19 threatening to beat her with a pipe. In February 2024, 20 a

22-year-old nursing student Laken Riley was killed by 21 an illegal alien. In June 2024, a 13-

year-old New York 22 girl was raped in broad daylight inside a Queens park by 23 an illegal

alien; Jocelyn Nungaray, a 12-year-old Houston 24 girl, was killed by 2 illegal aliens and later

found dead 25 after being strangled and sexually assaulted; aliens were charged with kidnapping

a 14-year-old Indiana 2 girl. 3 During her tenure as the designated border czar, the 4 U.S.

Customs and Border Protection Agency "encountered" nearly 302,000 illegal aliens at the

southwest border in December 2023, the highest monthly total ever recorded and representing 4

consecutive months of over 8 240,000 illegal alien "encounters". 9 According to the U.S.

Customs and Border data, in 10 the first 5 months of fiscal year 2023, 106,000 pounds 11 of

drugs were seized at the southwest border, including 12 11,000 pounds of fentanyl. The first 5

months of fiscal 13 year 2023 saw a 179.3-percent increase in fentanyl seizures over the same

time frame in fiscal year 2022. 15 According to Drug Enforcement Agency statistics, 16 over

50,600,000 fentanyl pills were seized in 2022, including over 10,800 pounds of fentanyl powder;

*(see website  
www.  
that find  
et al. us. or)*

these fentanyl 18 seizures are enough to kill over 379,000,000 people. Recent data from the Centers for Disease Control and Prevention indicate that 107,735 individuals in the United States died of a drug overdose in the 12-month period ending July 2022. 23 According to the U.S. Customs and Border, migrant 24 deaths at the southwest border of the United States totaled 856 in fiscal year 2022, the deadliest year on record. A May 2017 report from Doctors Without Borders 2 indicated that out of the number of women surveyed, nearly one-third had been sexually assaulted as they approached the southern border.

# Florida's Rick Scott and Pam Bondi Go Full Hypocrite On Immigration

JULY 21, 2016

SHARE THIS:  

The state of Florida is once again the target of mockery and ridicule thanks to the Republican Party.

Speaking at the Republican National Convention, Attorney General Pam Bondi was not coy her support for Donald Trump. In fact, Bondi praised Trump's willingness to terminate President Obama's immigration relief program known as DACA, enforce our broken immigration system so that "legal immigrants [can] bless this nation with their talents and their dreams," along with Trump's plan to "take control of our borders."

Republicans in the audience cheered Bondi as she repeated pieces of Donald Trump's anti-immigrant agenda, which is **now the Republican Party's platform**.

However, are Republicans aware that Bondi kept her immigrant bashing comments to herself as Governor Rick Scott signed into a law a measure that **currently provides in-state tuition for undocumented immigrants in Florida?**

That is right. During Florida's 2014 Legislative Session, Pam Bondi was out of the frame as Rick Scott promoted legislation that benefits immigrants covered by the DACA program – or as Bondi call it "Obama's unconstitutional order."

I should know because I was there when Rick Scott signed the bill into law.
