Ann. § 208.03["**AND THE 50 STATES LIKE STATUES**"] the individuals listed on the certification were "duly nominated and elected as Presidential Electors and Alternate Electors of the Democratic Party of Minnesota [.]" **LEGAL AND STATUTORY REQUIREMENTS TO HOLD OFFICE AS THE PRESIDENT** with accepting presidential candidate filings and reviewing their compliance with applicable legal requirements, and certifying only those candidates to the county auditors of the state as to whom all statutory requirements have been met. They are sued in her official capacity. The Secretary of State accepted the certification and agreed to list Kamala Harris, Donald Trump and/or Robert Kennedy and "their running mates" on the ballot despite the fact that the certification was untrue; **The DEFENDANTS FEDERAL ELECTIONS COMISSIONS**, and all of the above named individuals have specific duties and responsibilities.

#### IV. DEFENDANTS ERRORS

Presidential electors and alternates are chosen at the state general election held in the year preceding the expiration of the President's term in office. Minn. Stat. § 208.02. "When presidential electors and alternates are to be voted for, a vote cast for the party candidates for president and vice president shall be deemed a vote for that party's electors and alternates as filed with the secretary of state." Minn. Stat. § 208.04(1). Prior to the election, the Secretary of State is responsible for certifying to the county auditors of the state only those presidential and vice presidential candidates who have been "duly nominated" under state law. Minn. Stat. § 208.04. [and/or the "50 States like statutes law"]. In turn, the county auditors are responsible for putting the names of presidential and vice presidential candidates certified by the Secretary of State on the ballot. Minnesota election law[and/or the "50 States like statutes"], contains specific, mandatory requirements for major political parties to nominate presidential electors and alternate presidential electors: Presidential electors and alternates for the major political parties of this state shall be nominated by delegate conventions called and held under the supervision of the respective state central committees of the parties of this state. Minn. Stat. § 208.03 [and/or the "50 States like statutes"]. (emphasis added). This language is clear and unequivocal: Alternates "shall" be nominated—not unilaterally by party leaders—but by "delegate conventions." After the convention, the chair of each major political party must then certify the names of the persons nominated as presidential electors and alternates at the 507702.1 5 convention, as well as the names of the party candidates for president and vice president, to the Secretary of State at least 71 days before the general election. *Id.* That means, for the 2024 election cycle, party chairs were required to certify those names with the Secretary of State by a certain date. The

Republican and/or State Democratic Party held its State Convention on or about July 15 – 18<sup>th</sup>, 2024, which was called and held under the supervision of the State Republican Party Central Committee.

On or about May 2024 and continuing thru or about August 2024 and continuing thru present one or more Kamala Harris, Donald Trump, and/or Robert F. Kennedy are individuals, who is either a the Democratic, Republican and/or independent Presidential nominee for the Presidency of the 2024 election year; and a natural person.

One or more of the above Defendants served as “high ranking” U.S. Public Officials from Jan. 1, 1993 and continuing thru to present. At all times mentioned she was public official as defined in 18 USC section 201, and a State Actor acting under the color of State and/or Federal law. At all times mentioned Kamala Harris, Donald Trump and/or Robert Kennedy is a citizen and/or resident of Delaware and/or Virginia and/or Maryland and at all times herein mentioned has been a public entity and an incorporated and/or duly authorized and existing as such in and under the laws of the United States of America(is sovereign) United States Constitution, entered into a legally binding agreement with the US Government to faithfully execute her duties as the United States Secretary of State, to uphold the United States constitution and to defend and protect the “United States and/or the people of the “United States.” Kamala Harris, Donald Trump and/or Robert Kennedy et al has violated his/her duties and advocated to overthrow our constitutional form of government, laundered money thru the Clinton foundation to known Terrorist Organization and committed multiple overt acts to defraud the U.S.A.

The law of 5 USC 3331<sup>1</sup> provides the text of the actual “Oath of Office” that members of Congress are required to take before assuming Office. The law of 5 USC 3333<sup>2</sup> requires members of Congress to sign an Affidavit that they have taken the “Oath of Office” required by 5 USC 3331 and have not, or will not violate the “Oath of Office” during their Tenure of Office as defined by the third art of the law, 5 USC 7311<sup>3</sup> which explicitly makes it a federal criminal offense (and a violation of “Oath of Office”) for anyone employed in the United States Government (including members of Congress) to “advocate the overthrow of our constitutional form of government.”<sup>4</sup> The fourth Federal Law, 18 USC 1918<sup>5</sup> provides penalties for violation

---

<sup>1</sup>/Employees of the United States Government including all members of Congress are required to take the following “Oath” before assuming elected or appointed Office.

5 USC 3331: “An individual, shall take the following oath: “I, AB, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God.”

<sup>2</sup>/5 USC 3333: “...an individual who accepts office or employment in the Government of the United States...shall execute an affidavit within 60 days after accepting the office or employment that his acceptance and holding of the office or employment does not or will not violate section 7311 of this title. The affidavit is *prima facie* evidence that the acceptance and holding of office or employment by the affiant does not or will not violate section 7311 of this title.”

<sup>3</sup>/ Federal law specifically prohibits any individual from accepting or holding any position (including elected office) in the United States Government if they advocate the overthrow of our constitutional form of Government.

5 USC 7311 (1): “An individual April not accept or hold a position in the Government of the United States or the Government of the District of Columbia if he (1) advocates the overthrow of our constitutional form of Government.....”

<sup>4</sup>Advocate: To speak in favor of or defend by argument. To support, vindicate, or recommend publicly. Black’s Law Dictionary

<sup>5</sup> Federal criminal law is explicit and direct regarding a violation of “Oath of Office” by Federal Officials which includes all members of Congress. The law requires the removal of the Office holder as well as a prison term or fine from the Offender.

of "Oath of Office" described in 5 USC 7311 which include: (1) removal from office and; (2) confinement or a fine. The definition of "advocate" is further specified in Executive Order 10450/<sup>6</sup> which purposes of enforcement, supplements 5 USC 7311. One provision of Executive Order 10450 specifies that it is a violation of 5 USC 7311 for any person taking the "Oath of Office" to advocate "the alteration...of the form of government of the United States by unconstitutional means." Our form of government is defined by the Constitution of the United States. It can only be "altered" by Constitutional Amendments. Thus, according (to Executive Order 10450 and therefore 5 USC 7311) any acts taken by government Officials who have taken the "Oath of Office" prescribed by 5 USC 3331 which alters the form of government other than by Amendment, and/or who war against our constitution(treason)is a criminal violation of the 5 USC 7311.

All forfeit their right to hold office as the United States President and is disqualified from holding any office under the United States, in addition to the above

#### THE RACKETEERED INFLUENCED AND CORRUPT ORGANIZATION STATUE

18 USC 1918: "Whoever violates the provisions of section 731 of title 5 that an individual April not accept or hold a position in the Government of the United States or the government of the District of Columbia if he/she (1) advocates the overthrow of our constitutional form of government."

Executive Order 10450 states (in part): "Whereas the interest of national security require that all persons privileged to be employed in.....the Government shall be reliable, trustworthy, of good conduct and character, and of complete and unwavering loyalty to the United States..it is hereby

ordered as follows:

<sup>6</sup> In order to instruct investigating "a Federal Grand Jury and/or Special Prosecutor" to what is a violation of "Oath of Office" under 5 USC 3331 and 5 USC 7311, Executive Order 10450 was issued to serve as a guideline from determining what actions constituted a criminal violation of the "Oath of Office" by Federal Officials. The "Order" affirms the law of 5 USC 7311 that is a criminal violation under 18 USC 1918 for a member of the government, which includes members of Congress, to "advocate the overthrow of our constitutional form of government."
