ABUSE OF POWER - Failure to maintain U.S. Borders; ^{harboring illegal multiple} ^{allens (predicate} ^{acts}

In his conduct as President of the United States—and in violation of his constitutional oath faithfully to execute the office of the President of the United States and, to the best of his ability, preserve, protect, and defend the Constitution of the United States, and in violation of his constitutional duty to take care that the laws be faithfully executed—Joseph R. Biden, Jr., has abused the powers of the office of the President of the United States, in that: Using the powers of

his high office, President Biden has knowingly presided over an executive branch that has continuously, overtly, and consistently violated Federal immigration law by pursuing an aggressive, open-borders agenda by purposefully and knowingly releasing more than 2,000,000 illegal aliens into the interior of the United States without the intention or ability to ensure that they Jun 23, 2023 appear in immigration court to face asylum or deportation proceedings. Biden has intentionally facilitated a complete and total invasion at the southern border. Biden ended the Migrant Protection Protocols to require aliens seeking asylum to remain in Mexico while being processed by the Department of Homeland Security. Biden has closed Department of Homeland Security detention facilities and refused to cooperate with State and local law enforcement officials in securing the border. He has allowed illegal aliens to enter the United States as asylum seekers despite knowing they did not qualify for asylum. President Biden has pursued this open-border agenda purposefully and willfully, circumventing every safeguard, check, and balance required by law, resulting in mass illegal immigration into the United States, to the detriment of the American people. Biden, with such conduct, has demonstrated a failure to uphold Federal immigration law, violating his oath to the Constitution if allowed to remain in office, and has acted in a manner grossly incompatible with the rule of law and to the manifest injury of the people of the United States. Wherefore, President Biden, by such conduct, warrants impeachment and trial, removal from office, and disqualification to hold and enjoy any office of honor, trust, or profit under the United States.

ARTICLE II DERELICTION OF DUTY The Constitution provides that the House of Representatives "shall have the sole Power of Impeachment" and that the President of the United

States “shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors”. In his conduct as President of the United States—and in violation of his constitutional oath faithfully to execute the office of the President of the United States and, to the best of his ability, preserve, protect, and defend the Constitution of the United States, and in violation of his constitutional duty to take care that the laws be faithfully executed—Joseph R. Biden, Jr., has neglected the constitutional duty of the President of the United States, in that: Neglecting the powers of his high office, President Biden has abandoned his duties to ensure that the laws are faithfully executed and upheld, by presiding over an executive branch that has continually, overtly, and consistently refused to enforce the Nation’s immigration laws and secure the southern border. President Biden has endangered the security of the United States and the health and safety of the American people. President Biden has caused a national security crisis and is endangering the lives of the American people. President Biden has presided over the largest influx of illegal immigrants in American history, and as evidence of his dereliction, the deportation cases pursued by his administration are at historic lows. President Biden’s negligence of duty has resulted in the surrender of operational control of the border to the complete and total control of foreign, criminal cartels—putting the lives of American citizens in jeopardy. On President Biden’s watch, illegal aliens have been processed and released into the interior of the country under a mass system of parole, contrary to the clear terms of Federal immigration law. Utilizing the “CBP ONE” program, the executive branch will release nearly 40,000 illegal aliens per month into the United States. He has failed to uphold the mandatory detention and deportation provisions of immigration laws, resulting in the mass entry of inadmissible aliens and the continued presence of deportable aliens.

 3-20-24
EW

Through this complete and total dereliction of duty and extreme absence in oversight of his own administration's policies, President Biden has allowed more than 1,500,000 illegal immigrants to invade the southern border. On Joe Biden's watch, illicit fentanyl has killed more than 100,000 American citizens. In fiscal year 2023, U.S. Customs and Border Patrol seized more than 9,000 pounds of fentanyl at the southern border. In his failure to uphold the rule of law, President Biden has demonstrated that he will neglect his duty to execute the office to which he has been entrusted, violating his oath to the Constitution if allowed to remain in office, and has acted in a manner grossly incompatible with his constitutional duty to take care that the laws of the United States be faithfully executed. Wherefore, President Biden, by such conduct, warrants impeachment and trial, removal from office, and disqualification to hold and enjoy any office of honor, trust, or profit under the United States.

The Constitution provides that the House of Representatives "shall have the sole Power of Impeachment" and that the President "shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors". Further, section 3 of the 14th Amendment to the Constitution prohibits any person who has "engaged in insurrection or rebellion against" the United States from "hold[ing] any office ... under the United States". In his conduct while President of the United States—and in violation of his constitutional oath faithfully to execute the office of President of the United States and, to the best of his ability, preserve, protect, and defend the Constitution of the United States, and in violation of his constitutional duty to take care that the laws be faithfully executed—

FOR THE UNITED STATES OF AMERICA

And Predecessor from Jan 1, 1993 and carry thru to their term

Joe Biden in violation of his oath of office and/or constitutional oath to support and defend the Constitution of the United States against all enemies, foreign and domestic, to bear truth faith and allegiance to the same, and to well and faithfully discharge the duties of his

Office, has conspired and willfully and systemically refused to hold Federal immigration laws, in that: His is the head of the Homeland Security, Federal Protective Service, U.S. Customs and Border Protection (which includes the United States Border Patrol), U.S. Immigration and Customs Enforcement. In *then* his conduct of the

Joe Biden (and Predecessor from Jan 1, 1993 and carry thru to present and for his term)

FOR THE UNITED STATES OF AMERICA, in violation of his constitutional oath to faithfully execute the office of the Department of Justice of the United States and, to the best of his ability to, preserve, protect, and defend the Constitution of the United States, and to protect U.S. Borders and in violation of his constitutional duty and/or oath of office he has knowingly, intentionally failed to due his legal duties in protection the U.S.A. Borders. He willfully prevented, obstructed, and impeded the administration of justice, in that:

Joe Biden conspired with Kamala Devi Harris and both has demonstrated extraordinary incompetence in the execution of her duties and responsibilities, a stark refusal to uphold the existing immigration laws, and a palpable indifference to people of the United States suffering as a result of the ongoing southern border crisis in the United States. *Joe Biden* just like Vice President Harris has consistently refused to visit (and if he did visit the borders - had done nothing) the southern border to evaluate this ongoing national crisis, aside from a single trip hundreds of miles away from 10 the epicenter of the migrant crisis. 11 Women and girls in the United States have paid a 12 disproportionate price for the ongoing border crisis, tragically extenuated by the

inaction of border czar Kamala Devi Harris. In August 2023, Rachel Morin, a mother of 5, was raped and killed by an illegal alien. In September 16 2023, an illegal alien attacked a woman and her 9-year old daughter in Los Angeles. On May 14, 2024, an illegal 18 alien from Turkey raped a 15-year-old New York girl after threatening to beat her with a pipe. In February 2024, a 22-year-old nursing student Laken Riley was killed by an illegal alien. In June 2024, a 13-year-old New York girl was raped in broad daylight inside a Queens park by an illegal alien; Jocelyn Nungaray, a 12-year-old Houston girl, was killed by 2 illegal aliens and later found dead after being strangled and sexually assaulted; aliens were charged with kidnapping a 14-year-old Indiana girl. During her tenure as the designated border czar, the U.S. Customs and Border Protection Agency "encountered" nearly 302,000 illegal aliens at the southwest border in December 2023, the highest monthly total ever recorded and representing consecutive months of over 240,000 illegal alien "encounters". According to the U.S. Customs and Border data, in the first 5 months of fiscal year 2023, 106,000 pounds of drugs were seized at the southwest border, including 11,000 pounds of fentanyl. The first 5 months of fiscal year 2023 saw a 179.3-percent increase in fentanyl seizures over the same time frame in fiscal year 2022. According to Drug Enforcement Agency statistics, over 50,600,000 fentanyl pills were seized in 2022, including over 10,800 pounds of fentanyl powder; these fentanyl seizures are enough to kill over 379,000,000 people. Recent data from the Centers for Disease Control and Prevention indicate that 107,735 individuals in the United States died of a drug overdose in the 12-month period ending July 2022. According to the U.S. Customs and Border, migrant deaths at the southwest border of the United States totaled 856 in fiscal year 2022, the deadliest year on record. A May 2017 report from Doctors Without Borders indicated that out of the number of women surveyed, nearly one-third had been sexually assaulted as they approached the southern border. IN ADDITION BRIDGEWATER WAS INJURED AND DAMAGED BY MERRICK GALAND AND/OR KAMALA HARRIS ACTS OR OMISSIONS OF "HARBORING ILLEGAL ALIENS" - AND NEGLIGENCE. BRIDGEWATER IS A VICTIM OF AN ILLEGAL ALIEN, RAPE BY FRAUD, ILLEGAL RESTRAINTS IN TRADE AND LOST EVERYTHING BY AN ILLEGAL ALIEN AND/OR HARRIS ADOPTION OF WILLIAM J. CLINTON, BARRY SOERSTOES (AN ILLEGAL ALIEN) ACTS OR OMISSIONS. In all of this, Joe Biden and CONSPIRACY WITH Kamala Devi Harris willfully and systematically refused to uphold the immigration laws, failed to control the border to the detriment of national security, compromised public safety, and violated the rule of law, to the manifest injury of the people of the United States. Wherefore Joe Biden et al, by such conduct, has demonstrated that HE will remain a threat to national security and the Constitution if allowed to remain in Office, and has acted in a manner grossly incompatible with self-governance and the rule of law. Joe Biden et al thus warrants impeachment and trial, removal from Office, and disqualification to hold and enjoy any office of honor, trust, or profit under the United States. Wherefore, Joe Biden et al AND, by such conduct, warrants impeachment and trial, and removal from office. AND IT IS ORDERED, ADJUDGED AND DECREED THAT Joe Biden et al KAMALA IS ADJUDGED GUILTY, IMPEACHED, AND REMOVED FROM OFFICE AND DISQUALIFIED FROM HOLDING ANY OFFICE IN THE U.S. GOVERNMENT.
